Electric Floor Scraper Coming.

La Grande is continually demand-
ing better and faster service. G. H.
Rush, contractor and builder, has
just ordered an automatic, electric
machine for sanding and polishing
hardwood floors. This is quite dis-
tinguishing for La Grande as no town
in the northwest her size has such
a machine and few cities smaller
than Portland can boast of having a
demand for such apparatus. The ma-
chine ordered is the very latest up to
date model and will soon be in operation.

MORTALITY.

One day the prophet on a river
bank,
Dipping his lips into the channel,
drank
A draft as sweet as honey. Then
there came
One who an earthen pitcher from
the same
Drew up and drank and, after
some short stay
Under the shadow, rose and went
his way,
Leaving his earthen bowl, in
which anew,
Thirsting, the prophet from the
river drew
And drank from, but the water
that came up
Sweet from the stream drank bitter
from the cup.
At which the prophet, in a still
surprise
For answer, turning up to heaven
his eyes,
The vessel's earthen lips with an-
swer ran:
"The clay that I made of once
was man,
Who, dying and revolved into the
same
Obliterated earth from which he
came,
Was for the potter dug and
chased in turn
Through long vicissitude of bowl
and urn,
But whosoever molded, still the
pain
Of that first mortal anguish
would retain and cast and re-
cast for a thousand years.
Would turn the sweetest water
into tears."
--Edward Fitzgerald.
