**His Stomach Troubles Over.**

Mr. Dyspeptic, would you not like to feel that your stomach troubles were over, that you could eat any kind of food you desired without injury? That may seem so unlikely to you that you do not even hope for an ending of your troubles, but permit us to assure you that it is not altogether impossible. If others can be cured permanently, and thousands have been, why not you? John R. Barker of Baatie Creek, Mich., is one of them. He says, "I was troubled with heartburn, indigestion, and liver complaint until I used Chamberlain's Tablets, then my trouble was over." Sold by All dealers.

**Fells a Foul Plot.**

When a shameful plot exists between liver and bowels to cause distress by refusing to act, take Dr. King's New Life Pills, and end such abuse of your system. They gently compel right action of stomach, liver and bowels, and restore you health and all good feelings. 25c a all druggists.

**LAST WEEK MARKET BIG**

**SHARP LOSSES FELT IN HOG PRICES**

Bullish Attitude in Sheep Circles the Week's Feature.

(By Portland Union Stock Yards Co.)

Portland, Jan. 13.—(Special)—Receipts for the week have been: Cattle 1131; calves 13; hogs 7184; sheep 2226; horses 20.

Cattle liquidation this week has been far short of supplying trade requirements. Killers show a keen desire for prime beef, but are not overlooking medium grades, so urgent is the call. Heavy fed steers steady to strong at \$7.50@7.75, fully a quarter higher than previous market periods. All claims of butcher stuff selling strong, with cows and heifers having the lead, tops bringing \$6.75 Friday.

**Hogs Experience Drop.**  
The swine market experienced

sharp losses during the week, as receipts totaled over 6000 head and proved a veritable glut to trade channels, opening at \$8.00@8.10 Monday. The market dropped to \$7.90 by mid week and closed steady to weak \$7.50 @7.65.

**Mutton on Incline.**

The mutton market is steady to a shade higher and the tendency is decidedly upward. Receipts have been unsatisfactory and anxious buyers are bidding stronger prices for prime ewes and wethers. Three carloads of wethers, selling at \$5.85 and ewes at \$4.50 indicate the bullish attitude in the sheep house. Few lambs are coming forward and the market is steady to strong. Top sales made around \$6.75.

**Best-By Every Test**

People will differ on politics, religion and most every other subject under the sun, but there is one thing that ninety-nine people out of every hundred agree on, that is; the superiority of

**Electric Lights**

over all other kinds. The question naturally arises then: "Why are not all home lighted by electricity?" The answer is simple. Some people who are not familiar with lighting progress still think that electric lights are expensive. We are convincing people daily of the economy of electricity for lighting. Will you give us a chance to prove it to your satisfaction?
