

# WHEAT STILL ACTIVE ITEM

LITTLE DANGER OF ANY WEAKNESS.

Local Flour Prices Not Changed as Was Expected.

Men who are familiar with the grain situation say there is no surplus wheat in the country and that all of the wheat will be required to supply the home demands. This indicates that the price will be satisfactory to those who have not sold all of the summer's harvest. Chicago markets were weak but the price on the Pacific coast has not dropped and the statisticians claim that it will be firm from now on until the next crop arrives. Good weather reports will have little effect on the situation they think, owing to amount of grain on hand.

The price of flour in La Grande is still the same but any appreciable advance in the price of wheat will have the effect of raising the price in the local market. The millers are well supplied with wheat and there is no likelihood that the price of wheat will become exorbitant.

# Remarkable Catarrh Cure

Gets Right into the Affected Parts and Stops Gathering in Eyes, Nose, Throat and Lungs.

By a long series of elaborate experiments at the Swift Laboratory it is definitely known that catarrh can be cured by the simple process of inoculating the blood with antitoxic remedies that stop inflammatory conditions throughout the mucous linings of all the organs of the body. This is done with the famous Swift's Sure Specific, or as it is widely known, S. S. S. It is taken into the blood just as naturally as the most nourishing food. It spreads its influence over every organ in the body, comes through all the veins and arteries, enables all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectually cleanse the system and thus put an end to all catarrhal pollution. S. S. S. cleans out the stomach of mucous accumulations, enables only pure blood-making materials to enter the intestines, combines with these food elements to enter the circulation in less than an hour. You will soon realize its wonderful influence by the absence of headache, a decided clearing of the air passages, a steadily improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infests the entire system. You will find S. S. S. on sale at all drug stores at \$1.00 per bottle. It is a remarkable remedy for any and all blood affections, such as eczema; rash, lupus, tetter, psoriasis, boils and all scrofulous conditions. For special advice on any blood disease write in confidence to The Swift Specific Co., 121 Swift Bldg., Atlanta, Ga. Do not delay to get a bottle of S. S. S. at your druggist.
