

**Peevish Children Suffer With Worms**

Don't be angry with your child because he or she is continually irritable. In ninety-nine out of one hundred cases you will find that the trouble is worms. Among the common symptoms of the presence of round worms are nervousness—which often leads to epileptiform attacks;—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite. Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it. Millions of parents have praised this medicine for more than eighty years. Insist upon Jayne's Tonic Vermifuge, and accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

**DEMAND STARTS CAR SCARCITY**

PRICES NOT EXCELLENT BUT DEMAND IS STIFF.

Not Enough Cars at Present to Handle Orders to the South.

Owners of the thousands of sacks of potatoes remaining unsold in Union county will be anything but grieved at the news from Portland and California relative to the stiff demand for potatoes. A Portland news item says in connection with the potato market: "California is demanding Oregon potatoes in such quantities that a serious shortage of refrigerator cars is threatened."

"Although the price is not particularly flattering to the growers, the potato movement now is heavier and steadier than it has been at any time since the crop was harvested. The territory tributary to the M. Hood line of the Portland Railway Light and Power company, has been growing a lot of potatoes in the last few years and most of those produced last year have not been marketed. California buyers recently secured the bulk of those that were left and the farmers now are seeking to move them, but it is hard to get refrigerator cars.

"Cars have been in demand the last few weeks on the O.-W. R. & N. main-line on account of the heavy movement of fruit from Hood River and other apple-growing districts to New York and other eastern points.

"An effort is now being made to provide the points that are in need of cars with a sufficient number to supply immediate demands."

**Rheumatism Affects Lungs**

Pneumonia, Bronchitis, Phthisis, Asthma and Anemia Often Directly the Result of Rheumatic Blood.

If you have a persistent, nagging bronchial cough beware of cough remedies. They are merely local in action, and if they do relieve it is the narcotics that do it. What you require is a blood purifier, a searching antitoxin that removes from the circulation the acid poisons that by their reflexes attack all weakened, susceptible spots and thus create local symptoms. The very best remedy known is Swift's Sure Specific. You will find it on sale in any drug store at \$1.00 per bottle. It goes straight into the blood, becomes an internal blood bath, wonderfully increases the red corpuscles, cures all the local fever spots and irritations, increases appetite, you take on flesh and feel a wonderful sense of renewed strength. Hundreds of people worried beyond control at cough, pains in the chest, sore throat and constant expectoration of thick mucous have experienced the most wonderful change after using S. S. S. All doubt and apprehension is gone, those peculiar pains and aches vanish, there follows a period of most intense rejoicing to find that worst fears were based entirely upon a mistaken notion that cough and chest pains come from the lungs. These are rheumatic conditions, and you will quickly realize it after using S. S. S. for a few days. Get a bottle of S. S. S. to-day at the drug store and then say good-by to all those pains that have worried you.

Write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga., for medical advice and wonderful facts concerning the greatest blood remedy ever known.

using kerosene lamps. People thought, and rightly too, that electric lights were beyond the means of the family of modest income.

Many people who really want electric lights, but who are unfamiliar with the progress in electric lighting within the past few years, still hold to this belief.

If you are one of these, you will be agreeably surprised to learn that electric lights are now within the means of every family in La Grande. We are prepared to demonstrate to the most skeptical, that they are the most economical light to use.
