Gettysburg Picture Realistic

San Francisco, Feb. 7.—Famous artists will be brought from London and Paris to install "The Battle of Gettysburg", one of the most realistic battle cycloramas ever painted, which is to be one of the features of the concession section of the 1915 exposition.

Director of Concessions Frank Burt states that this wonderful replica of the greatest battle of the Civil war was painted by Paul Philippoteaux, a celebrated French painter, and is owned by Emmett W. McConnell, is known as "The Panorama King" and has been awarded the right to show "Creation and the Evolution of Dreadnought at the coming world's fair.

The canvas is 400 feet in circumference and 50 feet high, and covers an area of 20,000 square feet. It will be installed in a coliseum 125x150 feet and 65 feet high. Philippoteaux and sixteen artists worked for two years on this great painting.
