Clears Skin of Worst Eruptions

Remarkable Action of a Rem- edy That Drives Every Speck of Poison From Body.

There is a strange, mysterious power
in a remarkable blood medicine that finds
its way through the circulation by what
is known as Divine selection. The rem-
edy is Swift's Sure Specific, or S. S. S.

Science cannot explain just why cer-
tain elements in the blood feed the bones,
others nourish the hair roots, and so on.
And it is this same mysterious action of
S. S. S. that attacks all diseased spots,
drives away all germs, heals all sores
and supplants the activity of disease
germs with the powerful healing action
of leucocytes. Remarkable testimonials
have been written that prove beyond
question there is no blood disease but
what can be cured by S. S. S. And in
all those cases that were treated with
mercury, iodides, arsenic, copper and
other minerals with no permanent effect,
the most astonishing recoveries have
been made by S. S. S.

There is not a blood taint of any na-
ture that can remain in a system forti-
fied by this most wonderful remedy, for
it is absolutely pure and contains only
those elements that the blood naturally
assimilates, and which the tissues grate-
fully accept. It agrees with the most
delicate stomach, even in those cases
where the use of strong drugs has so
weakened the digestive system that medi-
cine cannot be given. Get a \$1.00 bottle
of S. S. S. at any drug store and thus be
assured of a complete cure of any erup-
tive blood disease. If your case is pec-
uliar and you desire special advice write
to The Swift Specific Co., Medical Dept.,
127 Swift Bldg., Atlanta, Ga.

Dr. King's New Discovery

Old Age.

Old age as it comes in the orderly
process of nature is a beautiful and
maiestic thing. It stands for experi-
ence, knowledge, wisdom, counsel.
That is old age as it should be, but
old age as it often is means poor
digestion, torpid bowels, a sluggish
liver and a general feeling of ill
health, despondency and misery.
This in almost every instance
wholly unnecessary. One of Cham-
berlain's Tablets taken immediatly
after supper will improve the diges-
tion, tone up the liver and regulate
the bowels. That feeling of despon-

deny will give way to one of hope
and good cheer. For sale by all deal-
ers.

Historical.

"Children," asked the visitor who
was addressing the school, "how many
of you can tell me what it was that
Napoleon's soldiers used to call him?"
Nobody answered. "Think a moment."
"Little." Still nobody spoke up.
"Little Corp." "A little corpulent!"
shouted the children. - Chicago Trib-
une.

Do you wish to know if anything is
the Lord's work? See if it is a work
among the poor. - Charles Kingsley.
