Remarkable Catarrh Cure

Gets Right into the Affected Parts and Stops Gathering in Eyes, Noes, Throat and Lungs.

By a long series of elaborate experiments at the Swift Laboratory it is definitely known that catarrh can be cured by the simple process of inoculating the blood with antitoxic remedies that stop inflammatory conditions throughout the mucous linings of all the organs of the body. This is done with the famous Swift's Sure Specific, or as it is widely known, S. S. S. It is taken into the blood just as naturally as the most nourishing food. It spreads its influence over every organ in the body, comes through all the veins and arteries, enables all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectually cleanse the system and thus put an end to all catarrhal pollution. S. S. S. cleans out the stomach of mucous accumulations, enables only pure blood-making materials to enter the intestines, combines with these food elements to enter the circulation in less than an hour. You will soon realize its wonderful influence by the absence of headache, a decided clearing of the air passages, a steadily improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infests the entire system. You will find S. S. S. on sale at all drug stores at \$1.00 per bottle. It is a remarkable remedy for any and all blood affections, such as eczema, rash, lupus, tetter, psoriasis, boils and all scrofulous conditions. For special advice on any blood disease write in confidence to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga. Do not delay to get a bottle of S. S. S. at your druggist.

TIME WAS
When There Was An Excuse For
using kerosene lamps. People thought, and rightly too, that electric lights were beyond the means of the family of modest income.

Many people who really want electric lights, but who are unfamiliar with the progress in electric lighting within the past few years, still hold to this belief.

If you are one of these, you will be agreeably surprised to learn that electric lights are now within the means of every family in La Grande. We are prepared to demonstrate to the most skeptical, that they are the most economical light to use.
