

SICKNESS AT STARKEY HARD

TWO MEN HEADED FOR LA GRANDE BECOME ILL.
Both Forced to Put in at Shelter of Neighbors for Assistance.
Starkey, Feb. 12.—(Special)—La

grippe seems to be holding its own here. Henry Hagey started down river last Sunday to be ready for court on Monday but when he got as far as the Home ranch he was too sick to go any further and on his sister took him to La Grande the doctor pronounced it la grippe, but he was not able to return to his home until Thursday. His wife went down and brought him home. Laurence Burnett started to La Grande for a load of supplies but was taken sick before reaching the city and had to telephone for someone from home to come for the

team. The doctor said it was la grippe. He has not arrived home yet.

IT IS SERIOUS

Some La Grande People Fail to Realize the Seriousness of a Bad Back.

The constant aching of a bad back, the weariness, the tired feeling, the pains and aches of kidney ills. May result seriously if neglected. Dangerous urinary trouble often follow.

A La Grande citizen shows you what to do.

Mrs. E. W. Brookler, 2010 Third St., La Grande, Ore., says: "For thirty years my kidneys were weak and I left the trouble go on so long with out attention, that my system was filled with uric poison. I had terrible backache, and pains in my loins and sides. I was nervous, couldn't sleep well and felt all tired out. It was hard to do my housework, and I was miserable in every way. Several doctors treated me, but didn't seem to benefit me very much. A friend advised me to try Doan's Kidney Pills, and the first box gave me relief. By the time I had used three boxes, the backache had gone and my kidneys were in good shape. You may continue publishing the testimonial I gave for Doan's Kidney Pills, after I first used them. I certainly have faith in their curative powers.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Old Age.

Old age as it comes in the orderly process of nature is a beautiful and majestic thing. It stands for experience, knowledge, wisdom, counsel. That is old age as it should be, but old age as it often is means poor digestion, torpid bowels, a sluggish liver and a general feeling of ill health, despondency and misery. This in almost every instance wholly unnecessary. One of Chamberlain's Tablets taken immediately after supper will improve the digestion, tone up the liver and regulate the bowels. That feeling of despondency will give way to one of hope and good cheer. For sale by all dealers.
