HAND HURT IN MILL.

Geo. Stoddard Slightly Hurt But Can Visit Spokane.

Perry, Oregon, Feb. 11.—(Special)—Geo. Stoddard, while examining a small engine here at the plant of the Grande Ronde Lumber company, recently unluckily got his first finger of his left hand in the working parts of the engine and very seriously crushing bruising the flesh, although the bone was not broken.

Another case of smallpox has developed here but so far the disease is very light.

Will Y. Stoddard, superintendent of the Grande Ronde Lumber company, has just returned from a 10 day's business trip to Salt Lake. He reports that the weather in Utah is ideal, there being no snow.

Mr. George Stoddard left for Spokane to attend the meeting of the Western Pine Manufacturers' association, which will be held today and tomorrow.

Friedman May Not Come.

Berlin, Feb. 12.—Since Dr. Friedman, discoverer of the serum cure for tuberculosis, had placed some of the serum in the hands of the government to experiment with, it is doubtful if he will sail for the United States on the 18th. He returned from Frankfurt on the Main last night where he had gone to give Prof. Ehrlich, head of the government laboratories, some of the germs for experimental purposes.
