LOSS TO SHEEPMEN.

Epidemic Among Flocks on Lower Powder, Killing Off Sheep.

(Baker Democrat.)

An epidemic among sheep in the lower Powder district, especially around Goose creek and vicinity, bids fair to result in thousands of dollars loss to flockowners in the next few days, if the disease cannot be stamped out. The condition which was mildly prevalent among the flocks of Rufus Bunch on Goose creek the last of the week, developed rapidly and Sunday County Inspector Dr. F. T. Notz of this city was notified. He immediately informed Sheep Inspector Dr. Lytle of Pendleton and the latter arrived here Sunday night.

Yesterday they went to Goose creek and found over 700 head of the Bunch flock had died since the epidemic had been in effect and that they are still dying very fast. They made a careful examination but up to last evening had not made sure of the cause of the trouble, although it seems evident that poison fodder of some kind is responsible. Dr. Notz returned home last evening but will go out again today, while Dr. Lytle went on to several other ranches where the same condition has begun to appear. According to the former it seems probable that thousands of sheep will die before the cause of the epidemic is discovered and a cure devised. If such proves the case, owners of sheep in that section will suffer thousands of dollars of loss within the next few days or weeks, depending on the spread of the infection and the success of the veterinarians in checking it.

Dr. Notz expressed every confidence that Dr. Lytle would be able to successfully fight the epidemic which certainly even if it goes no farther, will result in a heavy financial loss, that of Mr. Bunch alone being sure to amount into the thousands before the trouble is over.

A Liberal Offer.

The undersigned druggist is authorized by the American Drug and Press association, of which he is a member, to guarantee Meritol Hair Tonic to give satisfaction or the purchase price will be refunded. This indicates the confidence they have in this preparation. Newlin Drug Co.
