Men's Meeting.
 Last Sunday the Y. M. C. A. male quartet made its first appearance. Their selection was enjoyed immensely, and adds very much to this branch of the Association's work. Dr. Underwood gave a most interesting address spiced throughout with little glimpses into life in Turkey where he spent several years of his life as a medical missionary. Nearly thirty men were present and joined heartily in the big sing. On next Sunday afternoon at 3:30 Rev. Harry P. Nelson will speak. The quartet will sing again. Come and bring another man with you.

The Basketball Team.
 The Association basketball team has won each of the games played. About one hundred and fifty people witnessed the game last Thursday with Columbia college. It was a splendid game, full of interest from start to finish. The La Grande amateur band kindly offered their services for the evening and their many selections were enjoyed by all.

Scouts.
 The next Scout meeting will be held in the Christian church, corner of Depot and Washington, on Friday evening at 7:30. All Scouts are urged to be present. This change in the meeting place is only for the one evening.

Big Day.
 Last Saturday was a big day at the Y. M. C. A. A record was kept of the number of men and boys who entered the building for reading, playing on the piano, singing, playing checkers, quilts or visiting. This record by ten o'clock passed the hundred mark. This closed a hard but interesting week for the Association.

Welcome.
 You are welcome.
 Your boys are welcome.
 You, young man, stranger in our city, are welcome.
 You and your friends are all welcome to our little Y. M. C. A. on Depot street.

Old Age.
 Old age as it comes in the orderly process of nature is a beautiful and majestic thing. It stands for experience, knowledge, wisdom, counsel. That is old age as it should be, but old age as it often is means poor digestion, torpid bowels, a sluggish liver and a general feeling of ill health, despondency and misery. This in almost every instance wholly unnecessary. One of Chamberlain's Tablets taken immediately after supper will improve the digestion, tone up the liver and regulate the bowels. That feeling of despondency will give way to one of hope and good cheer. For sale by all dealers.

The Triangle Club.

The work already done by the Triangle club of the Y. M. C. A. is bringing results far beyond the expectations of its members. A young man seems to be more capable than any other to thoroughly realize the needs of other young men. One of the first things this club did was to purchase two checker games and a game of quilts. Next day they divided their forces to have one member in charge of the Y. M. C. A. on each evening of the week. The first week's record for evening visitors showed an average of about twenty. More things are to be added as rapidly as they may be afforded. Possibly some reader of this column may wish to help the good work by leaving at the Y. M. C. A. a set of chess men, a carom board, a subscription to some good magazine, a phonograph, or help a little in buying material for a shut-
