LA GRANDE Y. M. C. A. DE-
PARTMENT.

**Y. M. C. A. News of Current In-
terest Noted Hereunder, Di-
rection of J. H. Rudd, Gener-
al Secretary.**

The various branches of the work continue to move ahead quite satisfactorily. Each day finds more men and boys at our little Y. M. C. A. on Depot street. Every day someone makes inquiry in regard to "that new Y. M. C. A. building." It is bound to come, because so many are interested.

Men's Meeting.

Rev. H. P. Nelson gave a very interesting talk last Sunday afternoon at the Big Sing and Men's meeting. We are very fortunate in being able to announce for next Sunday's meeting, a special selection by the Y. M. C. A. quartet, and an address by Mr. G. A. McKinlay, of Salem. Mr. McKinlay has spent over thirty-five years on the firing line and we are sure to have a rare treat by hearing him. These meetings are for the men and older boys. Come and bring another man with you.

Triangle Club.

The Triangle club is getting down to pretty steady work. One of their biggest undertakings will be the preparation for the banquet to be given next Tuesday night to the Y. M. C. A. board and Mr. I. B. Rhodes, state secretary of the Y. M. C. A. Under the magic touch of the members, the office is taking on each day more of the appearance of a real association. It is their purpose to use to the limit, the equipment, inadequate as it is, which has been provided. The results are certainly gratifying.

Checkers and Chess.

...ing finds our checker board use. Men who enjoy chess have discovered a place where they are always welcome. Some most interesting games have been played. We are still

looking for the man who will donate a set of chess men for use in the Y. M. C. A. Are you that man?

(Baker Democrat.)

The tentative date for the Y. M. C. A. dedication ceremonies was set yesterday but owing to possible changes until final plans are decided, it is not desired to make the date public for a few days. Field Secretary I. B. Rhodes will be here next week and it is expected that the nap, from in regard to the attendance of a national officer on the dedication date.

The work on the building is going ahead without a hitch and will with out doubt be ready for the ceremonies and complete in all details so that visitors may be shown the practically finished institution. A portion of the gymnasium apparatus, including the weight machines, punching bags, etc., was received Tuesday and is now being installed. The remainder of the equipment is on the road and is expected in a few days.

Don't You Believe It.

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you. Give them a trial. They cost only a quarter. For sale by all dealers.

Don't Blame Your Over Worked Stomach

When your stomach will not digest food, the worst thing you can do is to take a lot of digestive medicines. True, they give temporary relief, but your stomach is the sufferer. Loss of appetite, indigestion, dyspepsia and headaches can only be permanently relieved by removing the cause. In many cases, various remedies taken to relieve these conditions result in ruining the stomach and preventing it from digesting food in a natural way.

If you want your stomach to do its own work properly, without resorting to artificial digestives or predigested foods, use Jayne's Tonic Vermifuge. Take small doses regularly, preferably before meals. In a little time your stomach will again do its own work and you will eat heartily, keep well and enjoy living. Jayne's Tonic Vermifuge is not a digester in itself, but it tones up the stomach and intestines, giving you all the nutriment and strength from the food you eat.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist on Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

SEATSALE FOR "EXCUSE ME" INDICATES BIG AUDIENCE

A SCENE IN "EXCUSE ME."

Every performance of the farce "Excuse Me" is a souvenir performance and next Saturday night is no exception. A pretty gold bracelet is given away to some lucky person in the audience. It is taken from the arm of Miss Winifred Lee who is the flirting girl in the play, and tossed over the footlights into the audience. An important situation depends on this bracelet, so it would be a dire disaster if at any performance it were forgotten. Were Miss Lee to go on the stage without the bracelet something would happen that is not in the play or intended by the author. So

the actress has a scheme for guarding against such a catastrophe. She always wears one of the "Excuse Me" bracelets. She is never without one except for the moment after it is thrown out into the orchestra at the performance. The instant she reaches her dressing room after this scene she replaces the bracelet on her arm and wears it until the next performance. Each Monday night at the theatre the stage manager hands to Miss Lee a box containing the number of bracelets that will be required for the week. Therefore she has a

supply always on hand and there is always one to take the place of that given away in the play. These are pretty little bracelets, well worth having. They are gold, and have the words "Excuse Me" engraved on them. She is fortunate who gets one at the play. And maybe the wearer of one of these souvenirs of the delightfully amusing farce will see some other girl with a similar bracelet. This girl may be Miss Lee. So when one sees the girl with the bracelet it may be that one is looking at the actress.

Why Salves Can't Cure Eczema

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged. This—the quality of penetrating—probably explains the tremendous success of the well known Liquid Eczema Remedy, oil of wintergreen, thymol, glycerine, etc., as compounded in D.D.D. Prescription. We have sold other remedies for skin troubles but none that we can recommend as highly as this for we know that D.D.D. stops the itch at once. We can give you a trial size bottle for 25 cents that will be enough to prove it. Of course all other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute. But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee:—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.
