Old Age.

Old age as it comes in the orderly process of nature is a beautiful and majestic thing. It stands for experience, knowledge, wisdom, counsel. That is old age as it should be, but old age as it often is means poor digestion, torpid bowels, a sluggish liver and a general feeling of ill health, despondency and misery. This in almost every instance wholly unnecessary. One of Chamberlain's Tablets taken immediately after supper will improve the digestion, tone up the liver and regulate the bowels. That feeling of despondency will give way to one of hope and good cheer. For sale by all dealers.

WEEK STAND OPENS SUNDAY

Frederick Fresno bet on a sure thing and lost. Although Allen Speed had never run a foot race, he was first at the tape, winning the 100 yard dash from Whiz Long who won the Sheffield handicap from a large field in the record time of 9 and 2-5 seconds. Fresno, seeing a chance for some easy money, backed Long for \$500 and is now a sadder but wiser man.

Allan Speed, a Yale man and class yell leader, boasted to his fiancée.

husky cowboys backed up by "Mr. Colt" stepping on his heels all the time he does his best, with the help of an Egyptian prayer rug.

How does it terminate? Oh, yes—well that is what the clever brain of Rex Beach, author of so many good plays such as "The Spoilers", "The Barrier", etc., has worked out in his great comedy of "Going Some" which the Wheeler players will produce in this city.

The comedy is of rare interest and originality, being a happy mixture of college and ranch life; something far different from that ever attempted before.

The play ends, as it starts, with laughter. It goes with a snap right through, there is not a dull moment at any time in the four acts, and in the hands of so capable an organization as the Wheeler players will afford you "sixty laughs a minute."

Prices 10, 20 and 30 cents.

Date—Opening Sunday, night, Mar. 2nd. At Steward's opera house.

From Pendleton Live Wire:—The Wheeler Players are putting up shows as good as the \$2 article given in larger cities and they merit packed houses.

Meeta Chamberlain.

Miss Helen Love, that he is a great runner and during his vacation at the cattle ranch of a former collegian he is induced to run a 100 yard race against Long who is working as a cook on the adjoining ranch under the name of Conner.

Little Willie, Curry, Carino and the other cowboys of the Flying Heart ranch, where Speed is a guest, had lost most all they possessed including their phonograph, which is more to them than their lives, on a previous race with Conner and their man Joe, so they force Speed to train under the instruction of Jimmy Ashford, a valet to Speed. Jimmy sees the impossibility of making a runner of Speed, but with several

TRY IT! SAYS SAGE TEA DARKENS AND BEAUTIFIES FADED, GRAY HAIR

Mixed With Sulphur Makes Hair Soft and Luxuriant and Removes Dandruff.

The old time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is coming in vogue again, says a well-known downtown druggist. It was our grandmother's treatment and hundreds of women and men, too, are again using it to keep their hair a good, even color which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product call "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is the most popular because nobody can discover it has been applied. Simply dampen a soft brush or sponge with "Wyeth's Sage and Sulphur" and draw this through your hair, taking one small

strand at a time. Do this tonight, and by morning the gray hair disappears and after another application it is restored to its natural color.

What delights the ladies with Wyeth's Sage and Sulphur is that besides beautifully darkening the hair they say it produces that soft lustre and appearance of abundance which is so attractive; besides prevents dandruff; itching scalp and falling hair. Here, you gray-haired folks, get busy: look years younger.
