Benefit Arranged for Baseball.
 (Pendleton E. O.)

For the benefit of the Pendleton baseball club a smoker and athletic entertainment will be held Friday evening in the Oregon theatre, Dudley Evans, manager of the P. A. A. C., being in charge of the affair. A fine card is being prepared and the proceeds will be turned over to the club to swell the fund being raised for the launching of a team.

The program will consist of a number of three round boxing bouts, several wrestling matches, a battle royal and other special features. Among the boxers who have already signified their willingness to participate in the card are Billy Gaffney, Jockey Bennett, Buddy Steves, Young White, Pasco, Carl Thomas, Young Langford, Dudley Evans, Clark Nelson, Brooke Dickson, Young Casey, Bill Sweeney and Henry Latourelle. Club pupils will also participate.

Ernest Pineau, well known welterweight wrestler, will engage in a fifteen minute bout with one of his pupils and it is probable that Earl Burke, another welterweight wrestler, who is looking for a match with Pineau, will take part in the program. The complete program will be announced later.

Manager F. E. Welsh has volunteered the use of the theatre for the event and, in view of the purpose of the occasion, it is expected that a large crowd will turn out.

Sullivan Boy Hit by Taxicab.
 (Baker Herald.)

A young lad by the name of Sullivan was hit this afternoon by a taxicab owned by Olds and Wattles and driven by John Caviness. He was hurried to a physician and it is not thought he is seriously injured. Several boys were playing marbles on Main street in front of the Herald office when Caviness turned the corner from Bridge street. A wagon was coming from the opposite direction and it appears the boy was bewildered in attempting to dodge both vehicles.

New Head of Sumpter Valley.
 (Baker Herald.)

As announced in Portland yesterday Guy L. Anderson has accepted the appointment tendered him by D. C. Eccles, to become general manager of the Sumpter Valley railroad. Mr. Anderson will assume his new position March 1. Whether this will necessitate the removal of any of the local officials is not yet stated, but rumor has it that some radical changes will take place when Mr. Anderson takes control.

Progressive management is the keynote of Mr. Anderson's success in railroading, and his affiliation with the Sumpter Valley means much to that road.

He is 28 years old and has worked his way up rapidly with the O.-W. R. & N. from messenger boy to pri-

vate secretary to Traffic Manager R. B. Miller, which position he resigned yesterday.

Mr. Anderson is director of the Portland Transportation club, and has been active in the organization of the Harriman club, composed of the office forces of that system in Portland.

Mr. and Mrs. Anderson and son Carl will leave Portland for Baker next Monday.

No "Colt Farm"
 (Pendleton Live Wire)

The following story taken from a Portland paper is denied absolutely by Roy W. Ritner, business manager for the local club. Nick Williams also stated that it was unauthorized by him. It is strictly against the rules of the Western Tri-State league to use optional or "farmer" players and the local management is going to live up to the rule to the letter.

"Cleveland American to Portland Beavers, to Portland Colts, to Missoula, of the Union association and Pendleton, of the Western Tri-State league, is the complicated baseball 'farming assist,' with a double putout at the end, which Nick Williams of the Colts, expects to make possible this season.

"The Cleveland and Portland end of the maneuver has been in operation for some time, but Williams has come to terms with Cliff Blankenship of Missoula, whereby excess twirling talent may be shunted to the Union Association club, and if Terry McKune lands the Pendleton managerial berth, the Western Tri-State club also will be the recipient of Colt intelligibles.

"The problem of disposing of promising young players, and at the same time retaining a string on them for future use, is an immediate one with Williams who has more than 35 men available for the 1913 Northwestern League campaign. Pendleton people will be in Portland tomorrow to talk business with McKune, ex-Beaver infielder, and unless salary demands are considered excessive Terry will desert the dock life for that of the diamond."

Elks Prepare for Musical Comedy.
 (Pendleton E. O.)

A real, genuine musical comedy under direction of one of the best professionals in the business is to be the offering of the local Elks next month. Following their annual custom of giving a home talent entertainment, a committee consisting of L. D. Drake, Joe Scrabble and Jack Gibson was appointed recently to arrange a similar affair and this committee yesterday completed arrangements with H. L. Brown for the presentation of "The College Pennant" to the local public on March 24 and 25th.

"The College Pennant" under the direction of Mr. Brown, was given at Portland Saturday evening by a society cast for the benefit of the new-

boys and scored a tremendous hit. Mr. Brown has also directed similar amateur offerings at Seattle, Eugene and Salem recently and from each city comes the report that it was the best home talent attraction every staged there.

Mr. Brown carries with him a carload of scenery and costumes and equipment for first class electrical effects. The play will be a four act one and will require a cast of forty people. To that end the Elks will be enlisting talent at once.

If you would ride in the political band wagon you should help pay for the axle grease.
