THE Gossard CORSETS
They Lace In Front

Front lacing is not the only requirement of a perfect corset.

The popularity of the Gossard Front Lacing corsets has been followed by a number of imitations. Other than lacing in front all these imitations are totally lacking in the essentials which make Gossard corsets so extremely desirable.

Every woman who investigates buys a Gossard corset.

A complete line of all models and sizes always on hand. Prices \$3.50, \$5.00, \$6.50 and \$8.50.

VEGETABLES IN SEASON ALL THE TIME.

Miss Metta Chamberlain, the leading lady of the Wheeler Players, who are at the Seward opera house for one week, when interviewed today, said, "Oh, I'm so sorry we are to be here only a week. I am so favorably impressed with this little city and the people that I would like to remain here. It seemed when I was before them last night that I knew everyone and I just wanted to step over the footlights and shake hands with all of them."

"You say you felt as though you knew the people in the house?"

"Yes, everyone. They were so congenial and so easy to work to. I don't know when I have played before so fine an audience."

"Do you like comedy?"

"No, I can't say that I care for comedy roles. Of course I want to please the patrons but I prefer the intense drama. I have always cared more for emotion than for comedy." (And she wore a little smile all the time). "I just love the part I will portray tonight, Hilda in 'The Wolf.' She is a lovely character. I have several fine roles in the repertoire but I think Hilda is my favorite. It is a role that I can live and the surroundings are so natural. I am so sorry I can't talk to you any longer this morning. Come in and see me again but don't forget to say that I am just crazy about this little city and I want to meet all its people before I leave."
