

HOT BUN SALE IS SPIRITED

DEMAND FOR GOOD FRIDAY FOODSTUFF.

Master Diners to Have Excellent Variety of Chefs Choose Early.

Sale of hot Cross buns, a custom that has come down from the English to America, was brisk today and all orders were disposed of with dispatch. The custom of eating hot cross buns comes principally from England where, to relieve pain and dizziness during the otherwise complete fast on Good Friday the church people were allowed to eat a bun heavily spiced and seasoned to tide their hungry stomachs over until Easter. Because of the heavy quantities of spices, the buns were called hot, and a cross was imprinted on them principally for decoration purposes. From this custom developed the annual sale of these buns on Good Friday.

Twenty cent eggs seem assured for tomorrow's demand. Local grocers have stocked up pretty heavily in hopes of holding the price down to 10 cents for the market has a strong one nevertheless. If the dealers get Easter it is presumed the price will stay down for some little time afterwards.

Shoppers to Get Offerings
Tomorrow morning local grocers will be supplied with a fine line of vegetables. Spinach which is an especially popular vegetable during Easter menu periods, will be here in plenty and many a housewife will find pleasure in her Easter shopping if she will but come down tomorrow forenoon and not wait until evening.

Wan, Weary and Worn Out
If You Feel Fagged to a Finish and Utterly Used Up Here is Quick Relief.

Don't Be Chained to the Hitching Post of Wearyland.
Half the people you meet complain of weary muscles, stagnant brain, jangled nerves, and a morbid desire to lay down and just quit. Most of these people have been using nervines that spasmodically fire up the nerves only to die down again, as die they must. Avoid nerve stimulants. Bear in mind that this worn out feeling is due to poor blood, to bacteria in the water you drink; to the multiplying of destructive germs in the blood faster than they can be overcome by the white corpuscles; and to what is known as auto-toxemia, that condition where the venous or impure blood accumulates faster than it can be replaced by the red arterial blood.
If you feel played out go to any drug store and ask for a bottle of S. S. S., Swift's Sure Specific. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scatters germs right and left, up and down and sideways.
You feel better at once, not from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine just as active and just as timely as to a man who has been lost in the mountains, is about starved and comes across a settler just cooking a savory meal of good honest beef. Do not neglect to get a bottle of S. S. S. to-day. It will make you feel better in just a few minutes. It is prepared only in the laboratory of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.

We are not greatly disturbed by the warning of a New York dentist that too much champagne and Burgundy tends to make people toothless.
