Blind Doctor at Pendleton Has Case in Charge.

Ladd Canyon, March 26.—(Special)—Mr. and Mrs. Dick Peebler took advantage of the excursion rate to Pendleton Sunday and visited with their little daughter, Helen, who has been taking treatment for spinal myelitis at that place, the past two months. They returned home much pleased with her condition. A blind doctor has the case.

The weather continues cold and blustery. The farmers realize that the time of the year is at hand for plowing, but few have gained courage enough to brave the cold weather.

Miss Ada Jorris, who has been visiting here with her parents, Mr. and Mrs. George Jorris, since her recent operation, returned to La Grande this morning, where she hopes to be able to resume her former occupation, that of teaching in the public school in La Grande about the first of next week.

The Easter program which was rendered by the Ladd Canyon Sabbath school Sunday evening was a complete success in every detail. The new hanging lamps which were ordered some time ago furnished bright lights and the school house was filled with listeners. The solos which were given by Mrs. Henry Peebler and Miss Lucile Jorris, the recitation by Mrs. George Jorris, and the numerous songs, recitations and dialogues by the young folks were well appreciated.

Miss Lucile Jorris and the Misses Lulu and Katie Counsell, who are attending high school in La Grande prolonged their visit here to attend the Easter program. Miss Verdie Graham also spent Easter with her mother, Mrs. Lucy Graham, returning to La Grande on the evening train to resume her studies at the high school.

Mrs. Ella Baird is here visiting with an old-time friend, Mrs. Marie Larm.

**Remarkable
Catarrh Cure**

Gets Right into the Affected Parts and Stops Gathering in Eyes, Noes, Throat and Lungs.

By a long series of elaborate experiments at the Swift Laboratory it is definitely known that catarrh can be cured by the simple process of insulating the blood with antitoxin remedies that stop inflammatory conditions throughout the mucous linings of all the organs of the body. This is done with the famous Swift's Sure Specific, or as it is widely

known just as naturally as the most nourishing food. It spreads its influence over every organ in the body, comes through all the veins and arteries, strikes all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectually cleanse the system and thus put an end to all catarrhal pollution. S. S. S. cleans out the stomach of mucous accumulations, enables only pure blood-making materials to enter the bloodstream, combines with those food elements to enter the circulation in less than an hour.

You will even realize its wonderful influence by the absence of headache, a decided clearing of the air passages, a decidedly improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infests the entire system. You will find S. S. S. available at all drug stores at \$1.00 per bottle. It is a remarkable remedy for any and all blood affections, such as eczema, rash, lupus, tetter, psoriasis, boils and all scrofulous conditions. For special advice on any blood disease write in confidence to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga. Do not delay to get a bottle of S. S. S. at your druggists.
