## MILTON OR TOPPENISH (Continued from page 612.)

the work of the season. They are the advance guard of the squad, says a Walla Walla scribe.

Eddie Johnson, formerly of Whitman college and right fielder on last year's pennant-winning team, arrived Friday morning from his home in Vancouver, Wash., where he has been during the winter. After the end of the last season Johnson went to Burbank and pulled chain on a surveying crew until the early part of the winter.

Eugene Niles, brother to "Tubby" Niles of Whitman college, is the other arrival. Niles came in Sunday morning from Oregon City. He has played ball for a number of years, heavy hitter. He will try for an inland and has the reputation of being a field position. Niles' chief baseball experience was gained in the Los Angeles city league.

According to Manager Bade, few more players will report before the first of April, shortly after which all are expected.

The "Miners" will mean the Baker team in the Western Tri-State league. By that name were the Baker athletes known in the days when Veau Gregg was developed there, and at a recent meeting of the club directors there it was practically decided that the team will be so known this year.

## BOOSTER CLUB ORGANIZED.

Baker to Hold a Smoker and Mass Meeting on Friday Evening.

Baker, March 29.—(Special)—At a well attended meeting of enthusiastic baseball fans at the Commercial club parlors last evening a permanent organization, to be known as the Baker Baseball Booster Club, was perfected with E. G. Dedrick, at the head. The prime object of the club is to further the interests of the Miners through the coming season and endeavor at all times to keep up enthusiasm, securing good attendance at all home games and to promote any and all stunts deemed advisable to boost the fortunes of the aggregation representing this city in the Western Tri-state league.

While the meeting last evening was only in the nature of a preliminary session, still some good plans were brought forward by different ones present. The most important business transacted was the appointment of a committee of six to take charge of arranging a smoker and booster meeting to be held at the Commercial club with Friday evening, April 4, set as the tentative date. The idea is to call an informal meeting of all live wires and fans who are interested in the success of the club, and by that time quite a number of the players will be here and an opportunity afforded to all to meet them and get acquainted. One player, Joe Murphy, a Chicago semi-professional who has been spending the winter in California, and who arrived yesterday, was present last evening. He is an infielder and comps to Manager Harlow with a good amateur and semi-professional record.

Those named on the committee to take charge of the arrangements for smoker were: E. G. Dedrick, Dr. F. T. Notz, Thomas S. Taylor, Wm. Ellis, H. A. Mullins, and T. E. Paxton. They named the tentative date as noted above and in the meantime will constitute themselves a committee also to keep the plan alive and stir up the good fans in the idea of becoming members of the club to land Baker at the top of the heap when the bell rings for the close of the 1913 season.
