When rough, high-proof, strong whiskey begins to tell on you--when your nerves and stomach commence "calling for help"--try a little Cyrus Noble.

It is mild in character--aged in wood in charred barrels--blended and re-aged in steam-heated warehouses.

This gives it that palatable, enjoyable flavor peculiar to it--its mellowness--its richness.

Sold by first-class dealers all over the world.

Red Pepper School District, March 31.—(Special.)—We have had plenty of rain in the last three weeks, and too much in some places, but the last rain has settled the ground. The wheat fields are looking green. All we need now is plenty of sunshine, and south wind to dry up the roads.

Some of the farmers have been building fence while the ground was soft so they could drive the posts.
