There is considerable quiet interest centered upon the appointment of county attorney for Wallowa county, and a great many people are waiting to see just what course Governor West will take in the matter.

FAIR LAW IS CLEAR-CUT

EACH COUNTY CAN CONDUCT ITS FAIR THIS YEAR.

District Fairs Not to Receive Contributions From the State.

Actual law regulating the matter of funds for county fairs, a matter causing much concern until the details became known, give each county this year substantial assistance but does not provide for district fairs.

The old and amended sections, of the law as passed, and vouched for by Senator E. E. Kiddle, say:

Sec. 6. For the purpose of maintaining the several county fairs, land product shows and livestock exhibitions, and constructing good roads in the several counties, as in this act provided, there is hereby appropriated on June 15, 1913, and annually thereafter out of any funds in the hands of the state treasurer, not otherwise appropriated, such a sum as may be raised by levying a tax of one-twentieth of a mill upon the taxable property of the state as last equalized by the state board of tax commissioners, the said tax to be apportioned among and collected from the several counties as their state taxes are apportioned and collected.

Section 2. That section 7 of "An act authorizing the holding of county fairs in the several counties in this state; creating boards of management therefor and fixing their powers and duties; appropriating funds in support thereof and authorizing their expenditure under certain conditions in support of other fairs, livestock exhibitions and land product shows, or in the construction of county roads and repealing chapter 3 of title

XXXIX of Lord's Oregon Laws", be and the same is hereby amended so as to read as follows:

Sec. 7. Annually on the 15th day of June the secretary of state shall draw a warrant upon the state treasurer in favor of each county treasurer in the state for such an amount as may be raised by levying a tax of one-twentieth of a mill on the taxable property in said county at last equalized by the state board of tax commissioners; provided, that any one county shall not receive more than \$10,000. Any funds raised by this act remaining in the hands of the state treasurer, after the provisions of this act have been complied with, shall be equally divided among the counties of the state as herein provided, and shall be used for premiums on livestock and horticultural exhibits by the different fair boards of the counties.

No State Fund for Races.

Section 8. Should a county through its county fair board decide to hold a fair, the funds paid into the hands of the county treasurer, as provided in section 7, shall be used in the payment of premiums at said fairs; provided however, that no part of the said funds shall be awarded as premiums or prizes for trials of speed. Should a county fair be held the said funds in the hands of the county treasurer shall be disbursed upon warrants drawn by the county fair board and signed by the president and secretary thereof; provided, further, that in any county in this state where a state fair is held, all money received under the provisions of this act shall be disbursed upon warrants ordered drawn by the state fair board, and signed by the president and secretary; provided further, that the county court of any county receiving the maximum amount of funds provided in this act shall determine which certain fairs land products or livestock shows shall be entitled to receive said funds and the amount of each to be received and upon the order of said court the county treasurer shall disburse as hereinabove provided; provided further, that upon the application of the president of the Pacific International Live stock exposition the county court of Multnomah county shall turn over to the treasurer of such organization not later than July 31st of each year, the sum of \$5000 out of the funds received by Multnomah county under the provisions of this act. The money so received by said organization shall be used exclusively for the purpose of paying premiums on exhibits at the annual show held under its direction and control.

Section 9. Should a county fair board decide not to hold a county fair the county court may in its discretion expend such funds, or any portion thereof in support of any fair, land products shows or live stock exhibitions offering prizes which may be competed for in any county in this state; provided however, that such funds shall be used only for the purposes of paying premiums upon exhibits of live stock, agricultural and horticultural products; and provided further, should the said funds in the hands of the county treasurer be not expended in support of a county fair, or a fair, live stock exposition or land products show where all counties in this state may compete, the said funds shall on the 2nd day of January following the date of their payment to the county treasurer by the secretary of state, be transferred to the general road fund of the county and expended in the construction of good roads of said county.

The amounts that fall to some of the Eastern Oregon counties by this law are: Union \$1,293.77; Wallowa \$794.68; Baker \$1,295.54; Umatilla \$2,178.78. Umatilla county's high scale of valuation brings this large amount to that county.

Found a Cure for Rheumatism.

"I suffered with rheumatism for two years and could not get my right hand to my mouth for that length of time," writes Lee L. Chapman, Mapleton, Iowa. "I suffered terrible pain so I could not sleep or lie still a night. Five years ago I began using Chamberlain's Liniment and in two months I was well and have not suffered with rheumatism since." For sale by all dealers.

Rheumatism Affects Lungs

Pneumonia, Bronchitis, Phthisis, Asthma and Anemia Often Directly the Result of Rheumatic Blood.

If you have a persistent, nagging bronchial cough beware of cough remedies. They are merely local in action, and if they do relieve it is the narcotics that do it. What you require is a blood purifier, a searching antidote that removes from the circulation the acid poisons that by their reflexes attack all weakened, susceptible spots and thus create local symptoms. The very best remedy known is Swift's Sure Specific. You will find it on sale in any drug store at \$1.00 per bottle. It goes straight into the blood, becomes an internal blood bath, wonderfully increases the red corpuscles, cures all the local fever spots and irritations, increases appetite, you take on flesh and feel a wonderful sense of renewed strength. Hundreds of people worried beyond control at cough, pains in the chest, sore throat and constant expectoration of thick mucous have experienced the most wonderful change after using S. S. S. All doubt and apprehension is gone, those peculiar pains and aches vanish, there follows a period of most intense rejoicing to find that worst fears were based entirely upon a mistaken notion that cough and chest pains come from the lungs. These are rheumatic conditions, and you will quickly realize it after using S. S. S. for a few days. Get a bottle of S. S. S. to-day at the drug store and then say good-by to all those pains that have worried you.

Write to The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga., for medical advice and wonderful facts concerning the greatest blood remedy ever known.
