When You Are Planning to Build

remember that our shingles, sashes, doors, flooring and other lumber are recognized in this community as thoroughly trustworthy and high grade, and that we do not make a practice of over-charging. We bought our present stock when lumber was lower in price.

ENAH LUMBER COMPANY

BENEFIT DAY NEXT SUNDAY

RECEIPTS OF GAME TO GO TO BUILDING.

Several Hundred Dollars to Go to Repair of Ball Grounds.

Next Sunday La Grande fans will again see a strenuous workout of the "Spuds" and to fatten the repair purse, President Foley has announced a benefit game whereat the receipts are to go to repair the grand stand and the grounds. If possible some outside team will be brought, and if not it will be another Yannigans-Regulargame. In any event the price of admission is heartily asked for as the top of the grand stand has been blown off during the winter storms, and will require an outlay of several dollars in the repairing thereof. The game will be called at 3 o'clock.

NEW MEN ARE HERE.

Peterson, Catcher, and Corbin, Third Base, Reach Town Today.

Gunnar Peterson is in town; so is Eddie Corbin. Therewith is completed the in and outfield so far as known now and today for the first time Manager King put through the paces the entire fielding squad. Ginger and pep has been lent to the rehearsals on the ball ground stage since yesterday by the coming of the third baseman and Tillamook catcher.

In the interim, the meal ticket squad has been cut down by three. Tyson, Phillips and Conroy, all of whom worked last Sunday, were released last evening and that much pruning has been done.

Fans Happy Over Harlow's Display.

Baker, April 8.—(Special) — The "Lefties" won Sunday 3 to 2. It was a great game. Until the fatal ninth inning the score was tied. It was a pitcher's battle from start to finish, six of them being used.

In the first inning, Murphy, second baseman for the "Yans," rapped a home run, bringing in two scores. The score stood 2 to 0 until Young swatted the sphere for a three bagger, scoring one, and in the next inning one more run was slatted.

It would be mighty hard to pick any stars in the bunch, for they are all "shiners." The game was full of sensations from start to finish. Poe, in center field, made a great catch, juggling the ball from one hand to the other, until finally his fingers got sticky and he froze onto it. Murphy picked one out of the air that looked good for a safe hit.

Three locals played on the teams, "Dutch" Liebe, "Friday" Thibodo, and "Maggie" Bird. "Friday" held down first sack, like an old vet, and his batting was good. Bird, while many of 'em didn't get by him at short, made several fumbles where had they been scooped up might have saved many a base. "Dutch" held down third sack in good form and he made one sensational catch of a foul, getting it about 20 feet behind his position.

The pitchers did not exert themselves. It was their instructions not to throw any "spirals" yesterday, but once in a while one of 'em would slip one over. As one of the huskies said, "Who can hit a curve when they are supposed to come straight." The batteries were Ward, Hunter, Young and Harlow; Coleman, Roof, Peet and Cress.

A large crowd witnessed the game, but the weather was a little too cold, several leaving before the finish of the ten innings.

Trapshooters Make Good Score.

The Pendleton team of the state trapshooters league Sunday morning made its best score of the season, breaking a total of 112 birds out of a possible 125. Whether or not this score was high enough to win the match is not yet known as the result of the shooting of the opponent team has not yet been received. The first perfect score yet made by a Pendleton man was made yesterday by De Spain when he broke 25 birds in succession. Hamley was second to him

with 23. Hoch made 22 while L'ne and Humphrey each contributed 21. A week ago the score made was 109 and two weeks ago 99 so that the members are very well pleased with the progress made.—Pendleton East Oregonian.

More "Buck" Ball Players Arrive.

Al Lodell, captain of the Buckaroos last year and who has been retained to hold down the initial bag again, arrived in Pendleton yesterday from Portland. Accompanying him was C. Krause, another pitcher who will try out with McKune. Albert Wells, the Boise boy who is looked upon as a sure placer on the pitching staff, came in this morning. Osborne will pitch a game for Granta Pass tomorrow and will leave immediately for Pendleton and with him will come Burgess, another twirler. Rader is also expected in a day or so. With the warm weather here, McKune will put his men through a stiff pace until the opening of the season.—Pendleton East Oregonian.

Boise Lands Two Live Ones.

Boise, April 7.—"Dad" Gimlin and President Fred Bossner of the Boise baseball club played a trump card Saturday night when they announced negotiations had been closed and contracts signed for Jack Chase, well known professional baseball player of this city and Clyde "Slim" Hall, veteran pitcher now with Seattle, to play this season with the Irrigators. A release was handed to Pitcher Williams and Pitcher Gooch is due to secure the same ticket. "Dad" Clark has been heard from through the arrival of his signed contract and will soon be here.

Rick Damp Rhetoric.

Captain Rold Amundsen, discoverer of the south pole, describes the parallels of latitude that lie between New Zealand and the antarctic barrier, where Scott and his companions rest, as "the roaring forties, the foggy fifties and the icy sixties."

Berlin's Pawnshops.

Pawnshops in Berlin are controlled by the government. The rates of interest are low, and the profits are used for charitable purposes.

Storing Coal.

Experiments have shown that coal kept under water for the space of three years lost less than 3 per cent in efficiency, while supplies stacked in the open invariably show a decrease in value of from 5 to 8 per cent in a single year. In tropical countries the decline is greater than in the temperate zones. It is reported that British navy coal stored at Hongkong lost from 20 to 40 per cent in the course of a few years.

Russian Furniture.

More than half of the furniture shown and sold in Moscow stores is manufactured not in factories, but in the homes of peasants.

Bronze Mirrors.

The Etruscans were famous for their bronze mirrors. They added to the copper and tin a small percentage of silver, which helped to give the high polish necessary for the purpose. Of the large number of bronze mirrors now in existence nearly all are Etruscan.

Hands Off In Berlin.

In Berlin a prospective customer in a bakery, butcher's shop or grocery is not permitted to handle the bread, cake, meat or vegetables, etc. It is a misdemeanor punishable by a fine.

A "Texas Leaguer"

but it did the trick. Good it was a Cork Center. With the old style rubber center ball it would have gone only as far as the second baseman. The Cork Center is just that much better. Not too lively, but just enough to at least give the batter an "even break."

Don't be persuaded to take any but a Cork Center ball. It is the only kind the big league uses—and they have to have the best. The present day game has outgrown the old style ball, and players must keep pace or become "Mr. Bushers."

RIVERS WILL FIGHT TONIGHT

HAND INJURED, BUT WILL FIGHT ANYWAY.

Leach Cross to Be Opponent at New York Ring.

Joe Rivers, Clever Boxer.

New York, April 8.—Despite the injury to his hand more than ten days ago when he was thrown from a horse at his training quarters, Jose Rivers, the Mexican, was confident today that he would win tonight's bout with Leach Cross. The two men are battling to determine which shall meet Willie Ritchie, lightweight champion. The East Side dentist is equally confident and the betting is divided. Ritchie has expressed an eagerness to meet the winner, probably July 4, somewhere on the Pacific coast.

A New Experience.

"I dropped a little at roulette while I was abroad," remarked the ice man. "Can't beat that game," said the coast man.

"Wasn't trying to. I just wanted to see how it felt to lose money."—Louisville Courier-Journal.

Where It Was.

"Why don't you get some labels on your suit case to show where it's been?"
"The pawnbrokers don't furnish labels."—Louisville Courier-Journal.

Long and Short of It.

It is hard for a man to look dignified while standing upon his tiptoes to whisper into the ear of his sixteen-year-old son. Chicago Record Herald.

Don't Blame Your Over Worked Stomach

When your stomach will not digest food, the worst thing you can do is to take a lot of digestive medicines. True, they give temporary relief, but your stomach is the sufferer. Loss of appetite, indigestion, dyspepsia and headaches can only be permanently relieved by removing the cause. In many cases, various remedies taken to relieve these conditions result in ruining the stomach and preventing it from digesting food in a natural way.

If you want your stomach to do its own work properly, without resorting to artificial digestives or predigested foods, use Jayne's Tonic Vermifuge. Take small doses regularly, preferably before meals. In a little time your stomach will again do its own work and you will eat heartily, keep well and enjoy living. Jayne's Tonic Vermifuge is not a digester in itself, but it tones up the stomach and intestines, giving you all the nutrition and strength from the food you eat.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist on Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.
