

# TALK ABOUT YOUR CONTESTS

## Take Your Hat off to This One

The clerks of La Grande are anxious to raise money for a ball fund which you all realize can't be done, without cash, the La GRANDE MILLING CO. says boys we're with you here now, what we mean is this, no one gets the benefit only the boys. From April 10th to May 1st we are going to allow the Club a large portion of this money back, so much per barrel on all they sell, they to do their own book keeping, so you see they will get a fair snake, and the more you eat the more they sell, the more they get out of it. We don't care if their per cent runs to \$100 in the three weeks it runs, so while this is on make everything you eat from this flour and eat plenty. This flour is all made in La Grande, sold at all grocers and fully guaranteed, and the brands that benefit the boys are as follows: *Blue Stem Patent, Royal Patent, Jersey Cream, Snow White, Sea Foam, Cash Special, Our Seal.* These brands all count. If you find a bad sack tell us, we want to see it. Now while all the Clubs in town don't sell flour, they all eat it and if you have a family or a friend, or if you are boarding out, have your land lady buy these brands of flour as it all goes in to the same fund.

*Yours For Good Flour and Help out the La Grande Clerks.*

### Y.M.C.A. LINES ARE VERY ACTIVE

CHECKERS, TENNIS, SCOUTS, ALL SHOW ACTIVITY.

Fred J. Holmes to Tell of Scout Parade in Washington.

(Edited by J. H. Rudd.)

The Checker club is playing off a series of most interesting games. Two good contests have already taken place at the Y. M. C. A.; one Tuesday evening April 1, with Alice and one last Wednesday evening with the Island City club. The Alice-Imbler

team of five men will play here next Tuesday evening April 15.

#### Men's Meeting.

The meeting last Sunday afternoon was well attended. The male chorus sang a splendid selection. Rev. R. E. Close of the Baptist church gave an address on "Sampson." It was most inspiring. Next Sunday we are to be favored with an address by Prof. E. E. Arant of Island City. His subject will be announced later.

#### Tennis.

Preliminary steps are being taken leading to the organization of a Y. M. C. A. tennis club. Any young men of the city who are interested in such a club should report at once to the secretary of the Y. M. C. A. We should get an early start this year in order to pull off a good series of games before the spring season is over.

#### Scouts.

The Scouts are lining up strong in their tryout for a place on the proposed patrol to serve the Chautauqua board during their next summer assembly. Only the best will be selected and this means keen competition for those desiring a place. The Scouts are now meeting at the Y. M. C. A. Friday night Mr. Fred J. Holmes who has recently returned from an extended trip which included a visit at Washington D. C., will tell the boys what he saw the Scouts do in the inaugural procession. This talk will be intended directly for the Scouts will be thrown open to any who may be interested in this phase of boy's work.

#### STARKELL AN UMPIRE.

Well Known Pitcher to Again Officiate in Western Tri-State.

"Con" Starkell will be the third umpire in the Western Tri-State league, according to an announcement from President W. N. Sweet to Secretary L. M. Brown. Starkell held an indicator in the league at the close of the season last year and gave general satisfaction. Sweet says of him: He was good on balls and strikes, ran the games fast, was fair and impartial and kept the players under control without any unseemly display of authority. His selection will meet with satisfaction here. The other two umpires, Mead and Burnside, were chosen some time ago. The three arbiters will meet in Walla Walla on April 20 to receive their instructions for the season."
