MANY PRIZES FOR CHILDREN

STATE FAIR OFFERS VALUABLE PRIZES TO RURAL SCHOOLS.

Best Garden or Best Handicraft Article to Be Well Repaid.

BY N. C. MARIS.

(Field Worker of the Industrial Fairs)

State of Oregon Department of education, Salem, Oregon April 14.—Our last article told about the five cash prizes—\$100, \$75, \$60, \$50 and \$40 to be given to the counties that makes the best showing in the children's contest.

In any county not entering this competition, any and all one room schools may enter the district competition. The first prize in this is a Victor phonograph and twelve records, given by the publishers of the Rural Spirit. This would be a fine thing for entertainment in the school and a great aid in making the a social center.

The second prize is an eighteen inch library globe given by the Northwest Furniture company, a useful article in any school.

The third prize is a school flag given by the publisher of the Pacific Northwest.

The fourth prize, another school flag, given by A. L. Mills, president of the First National bank, Portland, and the fifth prize is a Babcock tester, given by Monroe and Crissel.

Every school should show its patriotism by floating the stars and the stripes. A Babcock tester should be in every school. Its use is one of the best ways to teach percentage, and it will encourage an interest in dairying.

This Industrial contest is one in which every girl and boy attending school can take a part. While the pupils are thus advertising their school and county, and increasing their pride of home and patriotism, they are also learning to do something useful—something by which they can earn a living and can also make of themselves more valuable citizens.

The prize list will be off the press in a few days. In the meantime be planning to do all you can to help win one of those fine district or county prizes. Your articles can compete in the individual classes, also, even though they are a part of a county or district exhibit.

The war department has forbidden giving the "third degree". This charity may arise from the fact that the head officers get it at home so often that they feel for all other offenders.

Wan, Weary and Worn Out

If You Feel Fagged to a Finish and Utterly Used Up Here is Quick Relief.

Don't Be Chained to the Hitching Post of Wearyland.

Half the people you meet complain of weary muscles, stagnant brain, jangled nerves, and a mournful desire to lay down and just quit. Most of these people have been using nervines that spasmodically flare up the nerves only to die down again, as die they must. Avoid nerve stimulants. Bear in mind that this worn out feeling is due to poor blood, to bacteria in the water you drink; to the multiplying of destructive germs in the blood faster than they can be overcome by the white corpuscles; and to what is known as auto-toxemia, that condition where the venous or impure blood accumulates faster than it can be replaced by the red arterial blood.

If you feel played out go to any drug store and ask for a bottle of S. S. S., Swift's Sure Specific. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scatters germs right and left, up and down and sideways.

You feel better at once, not from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine just as active and just as timely as to a man who has been lost in the mountains, is about starved and comes across a settler just cooking a savory meal of good honest beef. Do not neglect to get a bottle of S. S. S. to-day. It will make you feel better in just a few minutes. It is prepared only in the laboratory of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.
