PARENTS HEAR FINE PROGRAM

Union, April 17.—(Special) — The Parent-Teachers' Circle had their last meeting of this school year on the evening of April 15. Owing to the stormy weather and wet streets quite a number that was intending to attend did not get out but those that were there felt more than repaid for their trouble in coming. The music was very good. We were favored by the young men's quartet which gave us two selections that were very good and a piano duet by Margaret Caillhan and Clarice Braasher was pronounced by all to be fine. Mr. Withcombe was scheduled for a speech on school gardens but he said that he had said all he could say some time ago and made a motion for the president to appoint a committee and have them get busy.

Messrs. Withcombe, McKennon, Olson and Giddings were appointed committee. The papers and talks on a committee. The papers and talks were very fine especially those of Mrs. Townley and Mr. Killian. Both of these persons laid great stress on the training of the child in the home and it would have repaid every parent in Union to have been present. The Parent-Teachers' Circle expect to keep their organization going right along and it is to be hoped that the patrons of the schools will attend better in the future than they have in the past.

The Blue Mountain creamery are doing lots of work on their plant here. They have put in a cement floor and have done a general renovating and they are making the place as sanitary as they can. This is an up to date company and they try to give their patrons as good service as possible.

Miss Louise Hutchinson left for New York city last Sunday evening for a visit to her sister Mrs. Ambrosia. She expects to be gone about two months.

Mrs. J. Welmer was in the city on business on Wednesday.

Will Hutchinson has purchased a new auto. It is a Michigan forty. It is a beauty and Will need not take anybody's dust in his new purchase.

The little child of J. W. Burham had a serious accident last Sunday. Elder children were hauling it in a little wagon when the wagon was upset throwing the little fellow in such a manner that the elbow was dislocated. Dr. Law was called and reset the bone. The little fellow will have to carry his arm in a sling for some time.

Union seems to have lost out on the land office fight but we hope for better luck with the next democratic president. With Eurlison taking like he is it looks as if quite a number of the office seekers will be left out.

We had a fine rain all day Tuesday. It was needed to soften up the ground and all the farmers are busy as they can be. There is going to be a large acreage planted in this vicinity this year. Prospects were never better for a good crop.

Paul Stevens of North Powder is visiting with the W. O. Miller family this week.

Electric Light combines beauty with brilliance; cleanliness with healthfulness; safety with convenience.

It has all the good qualities of all other lights—without their disadvantages—and has many points of superiority peculiarly its own.

It is the sun's only rival yet, unlike the sun, it is available any time, any place. It is the Perfect light, yet it is within the means of all.
