The Boys Know—

You can't "put one over" on them when it comes to base ball.

They know what the Spalding Trade-Mark stands for, just as their "daddies"—the boys of thirty years ago—did before them.

Their "daddies," however, did not know of the Cork Center ball—the big league's official ball. The Spalding Official National League Cork Center ball, price \$1.25, is the official ball of the world series. Every boy should insist on using a Cork Center ball when he plays, otherwise he is not getting the full value of his ability.

A. G. SPALDING & BROS. 156 Geary Street, San Francisco. Dealers everywhere carry Spalding goods.
