

What has become of the railroad talk of bringing from Welsh here? Perhaps all attention has been absorbed by the California Japanese question which permits all things to wait.

Eastern Oregon News

Baby Drings Carbolic—Dies.

Baker, Ore., April 28.—Finding a bottle of carbolic acid in the wagon in which his parents, Mr. and Mrs. Roy Clements of Payette, Ida., were traveling, 3-year-old Roy, Jr., drank it and died this morning. The Clements family were on their way to Washington to locate, and had stopped at Pochontas, six miles from here, when the tragedy occurred.

Farmers' Mutual Co. to Buy Grain.

(Pendleton East Oregonian.) Stockholders in the Farmers' Mutual Warehouse Co., are planning to take up the business of buying grain as well as the handling of grain in warehouses, according to Manuel Friedley, a prominent worker in the company. The Farmers' Mutual now has warehouses at Stanton, Helix and Vansycle and last year handled over 250,000 sacks of wheat. So successful has the organization been that the directors are now thinking of going into buying end also, operating in much the same way as the Farmers' Union Grain agency.

Joseph Traveler Home.

(Joseph Herald.) Tom Greene returned home this week from Florida, where he spent the winter with his wife, whose maiden name was Miss Elnora Beecher, formerly of Alder Slope. Mrs.

Green will not return to Joseph for several weeks yet. Tom is "down on" Florida and says he would not give 30c for the whole miserable malaria swamp slough. To add to the misery of the place he says the mosquitoes and frogs down there get large enough to carry off children and half grown hogs, and nobody works at all for fear of being eaten by the crocodiles, which are as thick as blue flies around the bughole of a sorghum molasses barrel.

The High School Carnival given by the students Saturday night, was a real success. All the side shows were well attended and everybody enjoyed the fun. The "little people" from Onerifacubla Islands were the greatest attraction, closely seconded by the clean boxing "mill" between Vaughn and Taylor. Altogether, \$21.75 was raised for the Annual.

Mr. and Mrs. Rumble have proved themselves royal entertainers. On April 16 they seized the school faculty, marched them to the Hotel Jennings, and there confronted them with the most wonderful array of chicken pie and everything else in eatables that hungry schoolmams ever put forks into. They way the teachers showed their appreciation would be hard to describe. After consuming everything in sight, they left with a smile of satisfaction that hasn't worn off yet.
