(By R. W. Fisher.) Walla Walla, May 1.—(Special)—Walla Walla bunched hits off Browning of La Grande yesterday afternoon and the score was Walla Walla 5, La Grande 1.

Both sides got the same number of hits but Snoddy kept the bingles scattered. The Bears got some long ones that helped pad their score. Davis' hitting was a feature. He got a two bagger and a trip.

La Grande scored in the first inning when Corbin laced one out for two bags and "Home Run" Nadeau pitched out a single. From then on Snoddy kept his hits scattered well.

Walla Walla got one score in the second inning. Davis picked out one of Browning's best and got to second base on it. He went third on a fielder's choice and scored on a wild pitch.

In the sixth the picking was good and Browning was sweating big drops when it was over. A clean two bagger sent the batter to third when Lundstrom singled. Davis got a dandy three bagger and the two men ahead of him crossed. Martini sacrificed Davis home, three being rung up for the Bears in this inning.

In the ninth Martini got a single, took second when Snoddy was hit, went third on a fielder's choice and came home when Van Horst made an error. The score:

well with it. Bridger, who essayed the job for the Irrigators, went well for the first four innings but after that was touched up for bunches of safe ones. Pendleton profited several scores by playing the bunting game, the obise infield going up in the air several times. Until the fifth inning, the game was a pretty one, but the Bucks chased four across in the fifth, one in the seventh and five in the ninth. One of the features of the game was Bladen's stick work. In four times up he creaked out four safe ones. Boise lost her third baseman today by a ruling of Farrell that Blausser belonged to Keokuk and Case was pulled into third. Score:

Pendleton	12	13	2
Boise	4	8	5

Batteries—M'Garrigle and Bladen; Bridger and Gard.

### Increase for Carpenters.

Cleveland, May 1.—With no opposition from the contractors, the 5-cents an hour increase in pay for carpenters of Cleveland went into effect today.

### La Grande Gets Another Factory.

When our representative called on Mr. Martin at his candy factory at 1408 1/2 Adams he was assured by Mr. Martin that La Grande was good enough for him. Mr. Martin hails from Colfax, Washington, with letters of indorsement from the prominent citizens of that place and will devote his time here to the manufacture of high class candies for both the wholesale and retail trade. Get in line and boost home industry "sky scrapers are built brick at a time."

## UNION LADIES RETAIN FURS

COLD AND-BLUSTERY WEATHER INJURES EARLY FRUIT.

Sawmill Man Injured—Union Travelers Return From South.

Union, April 30.—(Special)—Snow, Snow! all the time and here it is ready for our May parties and so cold and snowy that we have to wear our furs. We are all wondering when spring will come.

A man by the name of Valentine had a bad accident at Stoddard's saw mill last Saturday. A log rolled on his foot and mashed it so bad that it was amputated. This is a serious thing for a man as it will incapacitate him for hard physical labor.

Carl Forstrom and W. England have returned from their eastern trip. While gone they visited Florida, Cuba, Panama Canal and other points. They had a delightful time.
