(By R. W. Fisher.)

Walla Walla, May 2.—(Special)—Pitcher Moeller of La Grande gave Walla Walla the game here yesterday six to two. Moeller pitched an unusually erratic game, fanning 11, walking nine and hitting two.

The sixth inning was the worst. He walked three, hit one, made a wild pitch and allowed a single and a double. Walla Walla's scoring came in the seventh. Lundstrom hit a two-abagger and Moeller walked three men, forcing Lundstrom home. Walla Walla's only earned run came in the second. Laird got in two tight holes for Walla Walla but pulled himself out. The game was listless.

Walla Walla's first score came in the second. Martini hit, Bishop sacrificed him to second and he scored on Brown's single.

In the sixth Lundstrom and Davis

Haines Man Missing.

Haines, Ore., May 2.—(Special)—There is considerable alarm here at the continued absence of J. H. Chase, proprietor of the Crescent Bar at this place, who left Haines Friday and has not been heard from since by his family or friends. He said he was going to Union on business and was seen to take the train. It has been established that he has not been in Union since he left here, and today his business was closed, he not being here to give orders for its continuation and none of his family knowing what course to pursue. The authorities expect to begin a systematic search tomorrow.

In the seventh Lundstrom hit a two-abagger and Moeller walked the next three, scoring Lundstrom.

In the second Nadeau singled, Rochon sacrificed him to second and Druhot singled him home. In the seventh Rochon singled, went second on an error and scored on Corbin's single.

Pitcher Donates Game.

(By W. R. Chessman.)

Pendleton, Ore., May 2.—Pittman lost his own game yesterday for Boise by letting the crowd get his goat. With the score tied four to four in the last of the ninth, he allowed one hit and then walked three men in succession besides contributing a balk. Pendleton had the game won four to nothing until the sixth when Wells blew up and was helped on his way by Augustus' error. The score was tied in this inning and Osborne was sent in to twirl in the beginning of the seventh. Boise had her chance to win in the ninth when the bases filled with two men down and Demon Friene at the bat. He fanned. Pittman was in good for muntil the yelling of the

sword sent him up in the air Score:

Miners Play Poor Ball.

North Yakima, Wash., May 1.—

Playing miserable ball behind Peet, who worked the first portion of the game, and supporting Williams, who succeeded him in the sixth, no better, the Baker team was lucky not to be defeated by a bigger margin than 7 to 8, which was the score in the game this afternoon, and event in the face of their seven errors the Harlow crowd made the Braves go ten innings before giving the game.

No matter how loose their playing may be, the Diggers must be credited with being real fighters. They never give up. The locals scored in the first and third and in the fourth the visitors took the lead with three.

In the fifth Yakima came back with four and the next inning the Baker total was brought up to four. In the ninth the Diggers got after Gordon and earned three runs, which put them one to the good. In their half the locals tied it up, however, and put the winning tally over in the tenth.

sent to report a ball game, stated that "the first man up sacrificed."

No American boy would make such an error, but what can be said of players who use the old style rubber core ball in the face of the adoption of the Cork Center ball by the big leagues?

How can they compare their records with the big fellows if they do not use the same ball?

The Spalding Official National League Cork Center ball is the official ball of the world series. Send for the Spalding Base Ball Catalogue and learn what is new in equipment for this season.
