## Mother's Day SUNDAY MAY 12

Is set aside officially throughout the United States to honor the best mother who ever lived—your own.

Remembrances should be made with floral tributes in the home and no one will be seen without a flower on Mothers' Day.

WHITE FLOWERS FOR MOTHER'S MEMORY.

BRIGHT FLOWERS FOR MOTHERS LIVING.

This most beautiful idea and sentiment originated with Miss Annie Jarvis, of Philadelphia. The happy thought occurred to her that all mothers, whether living or dead, should be especially honored some one day each year, and the second Sunday in May was set aside as "Mother's Day." Remember, Any Flower Is Appropriate.

## Let's Swap

Man, a nervous sensitive, complex organism of progress and activity, is always longing for the thing.

The farmer labors hard for years so he may retire on his savings and live in the city. The city man works and schemes so he will be able to buy a country home and enjoy a quiet life.

However, if a person really wishes to make a change, it is better for him to do so. New conditions always inspire fresh enterprise and awaken new enthusiasm.

We have some good trades in city as well as farm property. We also are in touch with some excellent propositions in Portland, Seattle, and other outside places.

## Home, Home, Sweet Home

Truly there is no rented palace like owning your own home, be it ever so humble. There is a sense of independence, a feeling of security, an air of importance attached to the home owner that makes him a better father, a truer husband, a larger citizen.

With a very little money you can buy a lot, secure a loan on the lot, and build you a fine home, then pay for it just like you are now paying rent to the landlord. Or you can buy a nice home by paying a little down and the balance on easy terms to suit yourself. In some cases it is criminal not to own your own home. Always it is a blessing to yourself and family if you do.

Acquaint us with your wants and we will be pleased to satisfy them.
