Country Boys Big League Stars

It was said that every soldier of Napoleon carried a marshal's baton in his knapsack.

So every boy may be said to carry a big league bat on the ball field.

The Cork Center ball is the official ball of the world series and every boy should accustom himself to its use. He might as well use a picket off the fence for a bat as to use the old style rubber core ball now.

No boy is too far away from Spalding's to get a catalogue. Just mail a postal, addressed as below, and ask for the new Spring and Summer Sports catalogue.
