Mother's Day SUNDAY MAY 11

Is set aside officially throughout the United States to honor the best mother who ever lived—your own.

Remembrances should be made with floral tributes in the home and no one will be seen without a flower on Mother's Day.

WHITE FLOWERS FOR MOTHER'S MEMORY.
BRIGHT FLOWERS FOR MOTHERS LIVING.

This most beautiful idea and sentiment originated with Miss Annie Jarvis of Philadelphia. The happy thought occurred to her that all mothers, whether living or dead, should be especially honored some one day each year, and the second Sunday in May was set aside as "Mother's Day." Remember, Any Flower Is Appropriate.

EUGENE WILL DRAW MANY

COMMONWEALTH DAY BIG ATTRACTION THIS MONTH

Editors, Engineers, Doctors, Lawyers and What Not to Gather.

Eugene, Ore., May 6.—(Special)—To take stock of the last year's progress of the state of Oregon, to point out where the state is achieving success and where its efforts need strengthening, are among the purposes of the annual "Commonwealth Day," which will be held at the University of Oregon, May 16 and 17.

"We don't know where we are going, but we're on the way," is the spirit which the "Commonwealth conferences" were designed to change into a spirit of self-confident progress, sure of what it wants the state of Oregon to become, and sure of the means of working toward it.

On these days leaders in all lines of Oregon life will gather in Eugene. Questions of economic progress, cooperative production and distribution and legislative, administrative and educational efficiency will be discussed by experts in the different subjects.

Office holders, labor leaders, social workers, grange masters, scientists, students, editors and business men will each contribute their quota to the study of the problem of making Oregon a richer and better state.

The more strictly economic and sociological conferences will occupy all day Friday, and Saturday morning. Saturday afternoon will see one of the most significant meetings of Oregon women ever held, addressed by leading women from all over the state. At the same time there will be a cheap rate excursion which is expected to bring 500 engineers and others from Portland, and a meeting of the editors of Oregon newspapers, who will discuss the place of the press in the community. After this will be an out-of-doors presentation of scenes from Peer Gynt and Midsummer Night's Dream and folk dances by students and the Junior league of Portland.

Will Be Big Excursion.
The special train which will leave La Grande Sunday for Wallowa apparently will be heavily loaded, judging from the number of people who speak of attending. It is common to hear on the street when one man meets another, "Well, are you going over to help Father Murphy dedicate the new church at Wallowa Sunday?" The crowd will not be confined to church people, for many personal friends of Father Murphy who are identified with other churches and many who are not identified with any church will go.

GRAPE JUICE

FOR SUMMER DRINKS.—It is not a luxury; it is necessary in the home.

Mother, too, finds a reliable friend in Grape Juice. On wash day or baking day or while the Friday house cleaning is in progress a glass of Grape Juice taken at intervals braces her for her work and prevents that weariness which so often associates with the household routine.
