(By M. K. Chessman.)

Pendleton, Ore., May 10.—(Special) In the first extra inning game of the season on the local diamond, the La Grande Spuds won from the Buckaroos in the eleventh inning by a score of 8 to 6 yesterday. It was what might be called a pinch hit game for twice the Pendleton players tied the score by clouting safe ones at the critical junctures and just as often the visitors came back and delivered timely swats at timely times.

Jamison was on the mound for the Spuds and twirled a good game. Besides he was backed up by errorless support until the eighth. Krause started for Pendleton and, while allowing but few hits, was wild. In the eighth Berger went in to bat for him and M'Garrigle relieved him on the mound in the ninth.

Pendleton gave the game way in the early innings by errors and then

tried to reclaim it in the latter part by batwork. In the eighth with the score 5 to 3 against them, Augustus made a two base blow and drove across M'Kune and Lodell, the former of whom had got life through La Grande's first error and the latter through a single. The score was tied and Berger was sent to bat for Krause but breezed. Then Dougherty flew out to Nadeau and the inning was ended.

In the ninth, Druhot singled and Nadeau dropped one in the midst of between short and the left fielder which went for a hit but M'Garrigle pulled out of the hole safely. Pendleton advanced a man to second in the last of the ninth but no farther.

With one down in the tenth, Walters landed on first when M'Kune fumbled his ground ball. Jamison hit to pitcher and the ball ticked off M'Garrigle's mit, enabling both runners to land safely. A passed ball moved both up a notch but Byrnes atoned for his blunder by a snap throw to third which caught Walters napping. There were two down and Corbin up. He had already secured a couple of hits so it was deemed advisable to pass him up. Four wide ones were served and then Beck, who had not made a hit all week, took up his willow. With two strikes on him M'Garrigle grooved the ball and it was sent whistling over second base for a clean single. Jamison scored but eck was thrown out second.

The crowd was on its feet yelling like a bunch of Piutes when Pendleton came to bat and, after Lodell had grounded out, Byrnes responded with a corking two-sacker. Augustus drew a walk and then M'Garrigle fanned and after Dougherty had two strikes on him, the crowd made ready to leave. But there was destined to be more yet. Joe sped the ball between short and third and it brought in Byrnes for the best Naughton could do was to knock it down. Cowan popped out to Beck and the score was still tied up. 6 to 6.

Things started badly for M'Garrigle in the 11th. Druhot, first up, slammed the pillet for three bags. Nadeau hit the ball to pitcher and was thrown out at first but Gooch, who had taken the place of King when the latter was ejected from the field, drew a pass. Naughton fouled out to Rader and the crowd was relieved for Peterson was at the bat and he had not been able to connect all day. He swung wildly on two and then lifted the third one far into left field for three bags, chasing two runs across the pan. Walters struck out but the

winners were already over for all Pendleton could do in her half was to advance a man to third.

King Chased; Howl Coming.

The game was a long one because of the slowness of the pitchers in their delivery. There was also a good deal of ragging, chiefly by the La Grande players. Naughton drew a

five fine and King was put out of the game and off the field in the eighth for disputing Umpire Burnside's decision in calling Peterson out at home. To the crowd it looked as if the Spud manager had a howl com-
