SPUDS WIN SECOND GAME

MOUNTAIN AND BRILLIAN SUPPORT TURN THE TRICK.

Kile is Hit Consistently—Four Double Plays Show Class.

With fielding behind him to shut off runs that threatened from periodic fits of wildness, "Rocky" Mountain retrieved honors blurred the day before by coming back and winning from North Yakima yesterday afternoon in a drizzling rain. After the sixth inning he eased up perceptibly and during the easement, Engel's Braves came over with three runs in the eighth and one in the ninth, bringing their total for the day to five. While the Spud fielders were reeling off four double plays of the classy sort, and the fielding in general was stiff and tight behind Mountain, the Spud swatters were getting to Kile in such persistent manner that it was impossible for the valiant pitching of the slapper to stave off two runs to the club four different innings. Mountain scattered his hits so well that only in the eighth was he touched for more than one at a session. Beck started it off with a single and Druhot's drive to right was booted and then Nadeau singled scoring Beck and Druhot. Double plays when they saved scores kept Yakima scoreless to the sixth when Jansen drew a pass and came home on Fuller's double, a scratch double after he had two strikes against him. In the eighth, Ford went up to first on Peterson's error and Jansen doubled, scoring him. Grover walked and came to third on Stokhe's hit to Peterson that wasn't handled in the best shape and home when Reid hit into a fielder's choice. Gordon rang the bell in the ninth, pinch hitting for Kile, doubling and coming up when Fuller's hit to Corbin was juggled. The last three innings saw all the errors that La Grande made. Peterson, Corbin and Lee—who drove all the way from Enterprise yesterday morning to join the Spuds—reeled off lightning plays often and anon. Beck's catch and whip to King shutting off runs, was one of the many features of a rattling good game. The Spuds had the visitors hooked and there was no chance for the northerners at any time.

FALLING HAIR

Many People Have a Simple Way of Stopping It.

It was Dr. Sangerbond, of Paris, who first discovered that dandruff and falling hair were caused by a microbe.

And no wthat Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have

awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To ever reader of the Observer who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from

Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

- Bread made with Royal Cream of Tartar Powder: **100 Per Cent. Digested**
- Bread made with phosphate powder: **68 1/4 Per Cent. Digested**
- Bread made with alum powder: **67 3/4 Per Cent. Digested**

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.

Parisian Sage is sold by druggists everywhere, for 50 cents for a large bottle. It is an ideal daintily perfumed hair dressing, free from grease and stickiness, and will cause the hair to grow lustrous and luxuriant. Sold and guaranteed by Newlin Drug Co.

THE ONLY WAY TO DO

...PRINTING... QUICKLY AND PROPERLY

Is to have the Press Facilities, Material and Workmen. The Observer's Job Department has within the past six weeks added

- One Two Revolution Pony Cylinder Press.
- One 10x15 Chandler & Price Job Press.
- One 12x18 Chandler & Price Job Press.
- One Power Wire Stitcher
- One Chandler & Price Paper Cutter
- One Portland Multiple Punch,
- One ten horse power motor, and
- Over \$3,000 worth of type and material.

This added to our former equipment, which consisted of Mergenthaler Linotype, Babcock, cylinder press, two job presses, cutter and perforator makes ours positively the
