NEW TEACHERS CHOSEN.

Complete Corps of Instructors for Elgin High School Selected.

(Elgin Record.)

The Elgin school board, district No. 23, met Friday evening and elected a corps of teachers for the coming year. Directors E. G. Kirby, L. Denham, C. R. Patten and Clerk U. F. Weiss were present.

A. G. Smith, who has been superintendent for the past year, was re-elected by unanimous vote. Smith's work has been of excellent order and the school has made notable progress under his direction. His re-election is hailed with general satisfaction.

Chester Kronenburg, a graduate of the University of Oregon, was selected to succeed Miss Stoddard as principal of the high school. Miss Stoddard has been engaged to teach the coming year in the Ontario schools under Supt. Bailey, formerly of Elgin. Prof. Kronenburg is a young man and comes highly recommended not only as an instructor in school subjects but in athletics as well. The board has been contemplating securing a young man for the high school department for some time, one who would be capable of developing the athletic department and in Kronenburg they have the man. He weighs 215 pounds and is 6 feet 2 inches high.

The balance of the high school faculty will be composed of Miss Bergman and Miss Ferdine, two of the successful instructors of the present corps.

The following have been elected to grades in the grammar school.

- Eighth—Helen Gleason.
- Seventh—Blanche Davidson.
- Sixth—Grace Snook.
- Fifth—Nellie Rush.
- Third—Agnes Milne.
- Second—Tina Mayfield.
- First—Stella Mayfield.

Miss Gleason is a young lady of Cottage Grove, and Miss Davidson comes from Columbia, Mo.

The fourth grade teacher remains to be supplied.

The only changes made in the corps is the retirement of Misses Stoddard, Austin and Pepper, all of whom go to the Ontario school next year.

The members of the board are confident that they have selected one of the best faculties obtainable and are looking forward to a highly successful year.

Elgin has long had the reputation of maintaining one of the best schools in this section of the state and the board is determined to not only maintain past efficiency, but to increase the same.

Elgin to Celebrate.
(Elgin Recorder.)

All roads do not lead to Elgin but there will be a lot of people headed Elginward on the morning of July 4th, 1913, on which day Elgin citizens will celebrate in pure democratic style and entertain several hundred neighbors from various towns of Union and Wallowa counties.

The matter of holding a grand celebration came to a climax Monday evening, when the members of the Commercial club decided unanimously to observe the anniversary of our national day and entertain our friends and neighbors in a manner befitting the occasion.

A rousing mass meeting has been called for next Monday evening in the city hall opera house and it is predicted that the most enthusiastic meeting in the history of the town will be the result.

At the coming meeting a general committee and various sub-committees will be appointed and the foundation laid for one of the biggest and best demonstrations ever witnessed in this part of the state.

But few of the details were discussed at the commercial club meeting Monday evening, but one fact of note was brought up and that was the matter of graft. Elgin will not induce people to come here with the expectation of making a bunch of money. It is expected to raise \$800 or \$1000 for entertainment and prizes, and that amount will be sufficient to give all a good time and make the event one never to be forgotten.

Conditions were never more favorable for a rousing patriotic event than at the present time. Aerial ascensions, baseball games, horse races, foot races, band concerts, patriotic drills, well trained choruses and able

addresses will be obtained with ease this year and the people who visit Elgin on that date are assured of an excellent time.

Special care will be taken to provide plenty of shade, rest rooms and other comforts for visitors. A special committee will be provided to secure rooms for those coming from a distance and camp grounds will be arranged for those who wish to camp.

Health a Factor in Success.

The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are for sale by all dealers.

WISCONSIN MAN LIKES CITY.

J. E. Kaye Says It Is Hard to Find a Better Place.

"My short stay here convinces me this is the best town in the northwest," remarked J. E. Kaye, manager of the Al. Andrews tailoring department today. "I have been over a good deal of the northwest country since leaving Wisconsin and I have a place that has the future before it La Grande seems to have," continued Mr. Kaye.

He has lately been employed by Mr. Andrews as the head of the tailoring department and comes to La Grande with highest recommendations. Having resided at Green Bay, Wisconsin, for many years where he followed tailoring Mr. Kaye is at the top of his chosen line. Some of the Wisconsin colony in La Grande knew him well back in the old state and they speak very highly of his ability as well as of his citizenship.

It is Mr. Kaye's intention to buy a home in La Grande and become a permanent resident.
