

Don't heat the whole house to heat your irons. It isn't necessary.

Hot weather ironing with old fashioned irons is about as hard and exhausting a task as falls to the lot of the average woman. The sensible way is to use an electric iron. It can be connected to any light socket, so you can iron in the coolest room in the house, or on the porch if you like. Electric irons make ironing a pleasure. No waiting for irons to heat; no changing irons; no drudgery. Your ironing is done in comfort and in 1-3 to 1-2 less time. And another important feature, electric ironing is actually cheaper. All our irons are guaranteed.

UNION PLANS ONE SCHOOL

SUNDAY SCHOOL WORKERS FAVOR UNITY.

Two of the Larger Sunday Schools to Unite Next Sunday.

Union, May 21.—(Special)—It is unite two of the largest Sunday schools of Union next Sunday. This plan has been tried elsewhere and apparently has been successful, and Sunday school workers here believe that the salvation of the churches of small towns is to unite them into one non-denominational institution and Union is going to start out with doing this with her Sunday schools. While there is some who object, this is held to be the case in all good movements and the majority of the circles effected, see into favor the unity.

Mrs. L. S. Kelsey was visiting her daughter, Mrs. Will Hutchinson, Jr., when the news of the terrible accident which cost Mr. Kelsey his life last week was phoned to her. She returned home the same evening accompanied by her daughter and family. Mr. Kelsey was well known in this vicinity. Everyone was terribly shocked at the terrible accident. Richard Slater and family are very well known as they had lived here for years before moving to North Powder. Mrs. Hattie Clark and Mrs. Siegel Cline, mother and sister of Mrs. Slater left at once for Baker so as to be with the sufferers. Reports from Baker are not very favorable to the condition of Mrs. Slater and her daughter, Nellie.

Rain! Rain! every night. The weather clerk must have made a mistake and ordered a batch of Willamette weather for us.

Our young people are very much interested in examinations and such like. We are all in school business now. We have 8th grade commencement exercises on May 20th, Senior class play on May 21st, and senior class day on May 22nd. It keeps us busy as well as the youngsters and makes us remember our school days.

Rev. Martin preached an interesting sermon to the senior class last Sunday evening. A large audience was present to hear the address.

Memorial services will be held next Sunday at the Presbyterian church.
