

SELLS FLOTO HAS WIDE RANGE OF FEATURES

MISS STICKNEY ON HER PERFORMING HORSE

Ever since circuses were invented, the press agents of the various organizations have been coming along to tell the editors all about how many clowns their attraction carries, because when you come to think of it a circus is mainly composed of sawdust, and elephants, and pretty women riders and beautiful gymnasts, and last but not least, clowns—the more clowns the better. But really, when we come to sum up the Sells-Floto people have, for the past two years, carried off the championship in the matter of joy dispensers. By actual count, they have brought us more funny men than any attraction visiting us, so it is only just that we should give some precedence to their promoter of publicity when he breezes into the office and tells us without batting an eye that they have so many this year he couldn't count 'em all before he left.

"I didn't have time to," said he, "that's a fact. Took a day off couple of times and tried to but gave it

up as a bad job. Did you ever try to figure up how many sheep could race through a gap in half an hour? Well, that's just like our clowns—there were so many of them they got all jumbled up. As I said before, I had to quit in disgust. I guess we must have a million. Wha's that? That's a little strong? O, well, make it a thousand then. What's the use of quarreling about an odd cipher or

IT IS SERIOUS

Some La Grande People Fail to Realize the Seriousness of a Bad Back.

The constant aching of a bad back. The weariness, the tired feeling. The pains and aches of kidney ills. May result seriously if neglected. Dangerous urinary trouble often follow.

A La Grande citizen shows you what to do.

Mrs. E. W. Brookler, 2010 Third St., La Grande, Ore., says: "For thirty years my kidneys were weak and I left the trouble go on so long with out attention, that my system was filled with uric poison. I had terrible backache, and pains in my loins and sides. I was nervous, couldn't sleep well and felt all tired out. It was hard to do my housework, and I was miserable in every way. Several doctors treated me, but didn't seem to benefit me very much. A friend ad-

For Bright Eyes and Clear Nose

Remarkable Catarrh Cure That Gets Right into the Affected Parts and Stops Gatherings.

S. S. S. is a Wonder for the Eyes, Nose and Throat.

It is definitely known that catarrh can be cured by the simple process of inoculating the blood with antidotal remedies that stop inflammatory conditions throughout the mucous linings of all the organs of the body. This is done with the famous Swift's Sure Specific, or, as it is widely known, S. S. S. It is taken into the blood just as naturally as the most nourishing food. It spreads its influence over every organ in the body, through all the veins and arteries, and enables all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectually cleanse the system and thus put an end to all catarrhal pollution. S. S. S. cleans out the stomach of mucous accumulations, enables only pure, blood-making materials to enter the intestines, combines with these food elements to enter the circulation, and in less than an hour is at work throughout the body in the process of purification.

You will soon realize its wonderful influence by the absence of headache, a decided clearing of the air passages, a steadily improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infests the entire system. You will find S. S. S. on sale at all drug stores at \$1.00 per bottle. It is a remarkable remedy for any and all blood affections, such as eczema, rash, lupus, tetter, psoriasis, boils, and all other diseased conditions of the blood. For special advice on any blood disease write in confidence to The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. Do not delay to get a bottle of S. S. S. of your druggist.

vised me to try Doan's Kidney Pills, and the first box gave me relief. By the time I had used three boxes, the backache had gone and my kidneys were in good shape.
