ANIMAL ACT REAL THRILL

SELLS-FLOTO TO BRING TAMED LIONS.

Without Weapons Trainers Go Into Lion's Cages Fearlessly.

Although animal acts of various kinds have for many years been features of traveling tented organizations, still they have up to date never reached such a state of perfection that tigers and lions would perform in the same arena together.

This season the Sells-Floto Circus which comes here on Thursday, May 29th, offers this marvelous feat of training as one of the features of their program.

Margaret and Captain Dutch Recardo are accomplishing this novel departure. They appear in a steel arena, together with six African lions and three Malay tigers, which during the past winter have been trained to perform as one family. It must not be understood that these animals are by any means in the kindergarten stage because they have passed that long ago. Their training is absolutely completed, so much so indeed that they mount pedestals forming heroic groups, balance on rolling balls, see-saw, ride bicycles, jump through hoops of fire and mount galloping horses.

The remarkable part of the whole entertainment is, the Recardos enter the cage carrying no weapon or fire arm of any kind. The education of these fierce animals was accomplished with no other persuader than an ordinary buggy whip, their methods differing from all the other great trainers who have helped to make the history of the world's best menageries. Perhaps it is that the Recardos possess some strange and magic power over dumb animals, be that as it may the exhibition given by them is one which has never been equaled and probably never will.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
