SCHOOL ENDS WITH SUCCESS

UNION SCHOOL YEAR ENDS WITH FESTIVITIES.

Class Play, Graduation and Eighth Grade Exercises Held.

Union, May 24.—(Special)—The play given by the seniors of the high school on Wednesday evening was a fine success. "The Dear Boy Graduate" had so many relatives of the feminine kind that it was very hard to keep from spoiling him. Elwyn Davis played the part as if he meant it. He was one of the best characters in the play. Ora Davis made a fine old grandmother of days past and gone who was always explaining why things were so much better in ye olden times than now. Fanny McKennon was very of the spoiled younger sister and Agnes was a fine old maid, who always thought of her "dooty." All the parts were well played and did credit to the class and their instructor. All reserved seats were taken and standing room was at a premium. The junior class got their own chairs and those that had to stand up wished that they had done the same.

The commencement exercises took place in the high school auditorium on Thursday evening, May 22. Fannie McKennon delivered the valedictory and gave a brief account of the trials and triumphs of the class. She gave lots of good advice to the other classes but it remains to be seen whether they take it or not. The different talks and addresses given during the evening were very good. M. F. Davis gave the class their diplomas and presented each member with a volume of poems. The presents were totally unexpected by the class and very much appreciated by them. Thus closes the history of the class of 1913. They go out into the world to their life's work with the well wishes of a host of friends.

The eighth grade had their exercises in the high school auditorium on Tuesday evening, May 20. Forty-six were in the class. The exercises were good and the recitations were given in an able manner. Opal Shapert gave a fine class history and it is to be hoped that it will come true. The auditorium was crowded with friends and relatives of the pupils. The teachers are to be congratulated with the success of their work.

Yell Defiance at Blood Disorders

A Remedy That Has Shown a Most Remarkable Purifying Effect.

At Last You Can Get Rid of Blood Troubles—S. S. S.

The word medicine is one of the most abused in our language. There are certain medicinal properties just as necessary to health as the food we eat. Take, for example, the well-known tonic medicine S. S. S. This famous blood purifier contains medicinal components just as vital and essential to healthy blood as the elements of wheat, roast beef, the fats and the sugars that make up our daily ration.

As a matter of fact, there is one ingredient in S. S. S. which serves the active purpose of stimulating each cellular part of the body to the healthy and judicious selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming eczema, rash, pimples, and all skin afflictions.

And in regenerating the tissues S. S. S. has a rapid and positive antidotal effect upon all those irritating influences that cause rheumatism, sore throat, weak eyes, falling hair, loss of weight, thin, pale cheeks, and that weariness of muscle and nerve that is generally experienced as spring fever. Get a bottle of S. S. S. at any drug store, and in a few days you will not only feel bright and energetic, but you will be the picture of new life. S. S. S. is prepared only in the laboratory of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga., who maintain a very efficient Medical Department, where all who have any blood disorder of a stubborn nature may write freely for advice and a special book of instruction. S. S. S. is sold everywhere by drug stores, department and general stores.
