RAINS FALL AT ENTERPRISE

ALDER SLOPS FARMS APPEAR TO BE PROLIFIC.

Personal Mention and News Items From and About Enterprise.

Alder Slope, May 30.—(Special)—After a few days of nice weather, it began raining again Thursday morning. Crops that are up are looking fine.

The Alder boys played the Lostine boys a game of baseball last Sunday at Lostine. Score being 5 to 6 in favor of Alder.

Miss Stella Laird was visiting at the home of her uncle, J. F. Laird, on Prairie creek a few days last week.

E. C. Laird, wife and baby, W. R. Bookout, wife and three sons, and Chase Whitehead, wife and daughter, were visiting at the home of J. D. Cornelison Sunday.

Mrs. J. L. McKinney and two daughters, Mrs. Byron Homan, and Miss Ethel McKinney, attended the ball game at Lostine Sunday.

Sam Litch and family have moved back to the ranch after spending the winter in Enterprise. Mrs. Ritch and daughter Rita left Monday for Portland and Corvallis where they will visit for a short time with relatives and will be accompanied home by her daughter, Maude, who is attending O. A. C.

Jessie, Hazel and Bessie Bookout are visiting at the home of George Steward on upper Trout creek.

J. E. Himelwright of Imnaha, who taught school at Alder last winter, was back on the Slope Wednesday presenting the eighth grade diplomas to his graduates.

Dr. A. F. Foley of Enterprise who went to Portland a few months ago is back looking after property interests, and was calling at H. C. Laird's on the Slope Sunday.

Mrs. A. A. Chenoweth received a letter from her daughter, Mrs. Chas. Montague of Roosevelt, Wash., stating that she would be here June 1st, for a visit with her relatives and friends.

Rheumatism Quickly Cured.

"My sister's husband had an attack of rheumatism in his arm," writes a well known resident of Newton, Iowa. "I gave him a bottle of Chamberlain's Liniment which he applied to his arm and on the next morning the rheumatism was gone." For chronic muscular rheumatism you will find nothing better than Chamberlain's Liniment. Sold by all dealers.

Baker Win sGood Game.

North Yakima, May 29.—Pitcher Woods of the Gold Diggers was too much for the Braves today and the visitors took the third game of the series by the score of 3 to 2. Woods allowed only two hits, and that tells the story. Jensen, the left-handed twirler released by Baker and signed by Engle last week, worked against his former teammates and they beat him by bunching hits for three runs in the fourth inning. Outside of that inning he did well enough, being helped out of several tight holes by fast fielding. The Baker infield worked better and Cress handled Woods' twisters better than he did Ward's the day before.

Sixteen Inning Game to Bears.

Pendleton, May 29.—Walla Walla won the longest extra inning game of the season from the Bucks today when "Paddy" Welsh, the Bear heaver, took a pitcher's battle from Peet, when the latter weakened after pitching a grand game up to the 16th, when he allowed two runs. Pendleton hit Welsh safely 10 times, but they were scattered, while the Bears could do but little with Peet when hits meant runs. The locals played errorless ball behind Peet.
