

Electricity is cheaper than**Wood for Ironing**

Any woman who uses an electric iron will tell you that * * * With an electric iron you don't have to wait for irons to heat; don't have to change irons; don't heat up the whole house; don't wear out the clothes so quickly; don't waste heat; don't have to carry fuel. * * * The sooner you buy your iron, the better for both of us. On display at our office.

**BERRY PRICES
5 CENTS DOWN**

NO TWO FOR 35 VARIETY HOW-
EVER ON SALE TODAY.

Asparagus Goes Up to 10c Straight—
Plenty Berries in Today.

Strawberries, Oregon grown, have dropped a notch. Instead of going for 25 cents a box, they are now selling at 20 cents straight, but there is little or no opportunity to get the two for 35c variety as the California berry is all but an unknown quantity. At the 20c mark the sales are rapid, and though merchants have plenty in stock this morning, they were gone by the noon hour, housewives keeping in mind that the sales closed this afternoon. Despite the fact of a holiday, it is not believed that today's shipments out of the producing centers will be hampered any and that the Saturday supply will be ample seems assured. Asparagus is selling 10 cents straight.
