**Fine Remedy For Eczema**

Also for Salt Rheum, Tetter, Psoriasis, Lupus, and All Skin Afflictions.

Even a Microscope Won't Find a Blemish After S. S. S. Gets Through.

All skin troubles should be attacked from within by giving the blood circulation a good daily bath. This is accomplished with S. S. S., the best known and most highly recommended blood purifier ever discovered. Its action is very rapid. Its vegetable nature is such that it naturally goes right into the blood, saturates the entire circulation, bathes the tissues with an influence that enables the skin to heal quickly. The action of S. S. S. is that of an antidote, and this fact has been demonstrated time and time again in the most severe forms of weeping eczema.

Its influence in the tissues where the tiny arteries transfer the blood for the worn out blood to the veins is quite remarkable and goes on constantly with every beat of the heart.

And new skin is thus caused to form while the germs of irritating influences that cause eczema are scattered and their harmful nature entirely suspended.

S. S. S. has a wonderful tonic influence in the blood because it contains no "dope," is not a "physic," is entirely free of any mineral drugs or any other drugs except the remarkable medicinal effect of the pure vegetable products of which it is made. Few people realize how harmful are many of the strong, crude ointments that used to be in favor before they learned that S. S. S. is safe, speedy and sure. Ask at any drug store for a bottle of S. S. S. Give it a good trial and you will soon see a decided improvement in any form of skin trouble. Write to The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga., for special free advice on eczema and any other form of skin or blood trouble.
