The great calamity in Omaha was quickly overshadowed by the terribly disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted which Foley's Honey and Tar Compound helped to alleviate. L. Poole, 2217 California St., Omaha, writes: "My daughter had a severe cough and cold but Foley's Honey and Tar Compound knocked it out in no time. My wife would not keep house without it. We have used it for years, always with good results." For sale by A. T. Hill.

PERRY NEWS ITEMS.

Perry, Ore., May 30.—(Special)—The mill closed down Wednesday afternoon on account of the heavy rain. Wednesday was the end of the school year here in Perry, when a peanut shower was given Prof. Snyder. A most successful school year has just closed and the people generally speaking, are perfectly satisfied with the results obtained during the past school season. Under the direction of Prof. Snyder, a number of programs, (which heretofore such occasions have been sadly neglected for a number of years), have been rendered on different occasions by the pupils and on all occasions have been worthy of the highest consideration. Thursday was another holiday in Perry, when the mill closed down for

circus day. A goodly number of people attended the circus. Mrs. E. Y. Stoddard, who has been visitin with her sons here in Perry for several weeks past, left Wednesday night for her home in Logan, Utah.
