

Best Laxative for the Aged.

Old men and women feel the need of a laxative more than young folks, but it must be safe and harmless and one which will not cause pain. Dr. King's New Life Pills are especially good for the aged, for they act promptly and easily. Price 25c. Recommended by all druggists.

Rheumatic Blood is Whole Story

Sciatica, Lumbago, and Deformed Articular Rheumatism Cured.

You Will Feel Like an Acrobat After Using S. S. S.

There is a host of pills, powders, tablets and what-not for rheumatism, but they all lack the first essential to being a natural medicine. To begin with, rheumatism is simply a name given to designate a variety of pains, and can only be reached by irrigating the entire blood supply with a naturally assimilative antidote. True, the pains may be eased with narcotics or the acids may be neutralized for the time being. But such methods merely temporize and do not even lead to a cure. There is but one standard rheumatism remedy, and is sold in all drug stores under the name of S. S. S. It contains only pure vegetable elements and is absolutely free of mercury, iodide of potash or arsenic, and has proved a wonder for every form of rheumatism.

The recoveries of all types of rheumatism by the use of S. S. S. is a fine tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as naturally, just as specifically, and just as well ordained as the most acceptable, most palatable and most readily digested food. Do not fail to get a bottle of S. S. S. 19-day. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a great specialist confidentially, write to The Medical Dept., The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga.

Bumped again. Fitchner did it. The mysterious one was a trifle wild at times, but he had all his mystery with him, and the best the Irrigators could do was to find him for two hits, one of which was of the scratchy variety. He walked several men, and there were many times when a little hit would have meant a run for the locals, but only one occasion was the hit forthcoming.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

KING PRAISED BY STATESMAN

LA GRANDE MANAGER GIVEN PRETTY COMPLIMENT.

Statesman Considers Spuds Strong Contenders for Flag.

(Boise Statesman.) Carl King has kept his promise made to the people of La Grande. Early in the season he told them he would get together a ball team that would be a pennant contender, and he has done so.

The Spuds may not win the flag, but they will be fighting all the way, and they are good enough so that it will not be surprising if they finish in the first division. The club has some weak spots, but it also has some strong ones. King is still looking for men to patch with, and if he gets the ones he wants the Spuds will be easily one of the strong teams of the circuit.

Is Good General.

Carl has disappointed the pessimists who said when he took the team that he was too young to run it. He has shown natural ability as a leader, and has his club well in hand.

On the field Carl is one of the cleverest generals in the league. He is a past master at shifting his men to the points where they will do the most good. He keeps his soldiers

ball, but he worked against a combination of hard luck, and with the home club hypnotized by Fitchner he was in the same position as the farmer playing the little shell game—no chance to win.

fighting all the time, and has a faculty of telling when a pitcher is weakening, and pulling him in time.

Fights Hard for Games.

Nobody in the league fights harder for a game than Carl does, and the fighting part counts. Some of the fans who do not understand his manner are disposed to call him a crab, but Carl is not a crab. He is simply urging his men on in his own way. They understand him and like him.

Just notice any player King talks to in the game. To the stands it may look as though that particular man is being roasted. Maybe he is, but just watch his play after that and see if he doesn't work better for what King told him.

Carl is a success as a manager and his team will win a lot of games before the season is over.

On Your Knees.

I remember climbing the Welshhorn, above Zermatt valley, with two guides. My leading guide stood aside to let me be the first on the top. And I, with the long labor of the climb over and exhilarated by the thought of the great view awaiting me, but forgetful of the high gale that was blowing on the other side of the rocks, sprang eagerly up and stood erect to see the view. The guide pulled me down. "On your knees, sir. You are not safe there except on your knees." "Every one that exalteth himself shall be abased."—George Adam Smith.

Charging It.

"Come in and Have It Charged" was the inviting sign in front of a place of business in a Jersey town. A stranger, being somewhat low in funds, walked in briskly. "I understand that I can get things charged here," he said, addressing one of the employees. "Only storage batteries," replied the other man.—Judge.

The Medicine Dropper.

A medicine dropper is very useful in the pantry for measuring favoring extracts, coloring matter and so forth. Many a delicate cake has been spoiled because too many drops of favoring got into the icing.—Woman's Home Companion.

Pretty Sad.

"After all," said the ready made philosopher, "humor and pathos are very closely allied." "That's right," replied the comedian. "I don't know of anything sadder than to tell a funny story that doesn't get a laugh."—Washington Star.
