Clothiers in Session.
Atlantic City, N. J., June 4.—Cancellations and returns of goods ordered from manufacturers by retailers—a burning question with the former—was again today the important topic discussed at length at the seventeenth annual convention of the National Association of Clothiers in session here since Monday. The convention will close this evening with the inauguration of newly elected officers and directors, after a vote is taken on the question of where the convention will meet next year. The contest for the 1914 convention has been one of the hottest in many years. Invitations for the meeting were considered from New York, Boston, Syracuse, Roches-

Why Dutch Cocoa Is Better

Holland is the home of good cocoa. C. J. Van Houten—the cocoa pioneer—invented the Dutch process for making cocoa.

By this process the indigestible fibre is taken out and the cocoa is made smoother—finer—richer. That's why you should demand DUTCH COCOA—and be sure to get

**VAN HOUTEN'S
RONA
DUTCH COCOA**

You'll like the rich, chocolate flavor—the smooth, soothing nutriment. Rona Cocoa is cheaper than domestic cocoas because it goes twice as far. Use only one-half a teaspoonful to the cup.

Order Rona Dutch Cocoa today—from any grocer. Just taste the rich, Dutch flavor. 1 lb and 25c cans. C. J. VAN HOUTEN & ZON, Weesp, Holland. 1100-1108 S. Wabash Av. Chicago.

Wan, Weary and Worn Out

If You Feel Fagged to a Finish and Utterly
Used Up Here is Quick Relief.

**S. S. S. Makes Your Blood Corpuscles
Units for Mutual Protection.**

Half the people you meet complain of weary muscles, stagnant brain, tangled nerves, and a wonderful desire to lay down and just quit. Most of these people have been using nervines that spasmodically flare up the nerves only to die down again, as die they must. Avoid nerve stimulants. Bear in mind that this worn out feeling is due to poor blood, to bacteria in the water you drink; to the multiplying of destructive germs in the blood faster than they can be overcome by the white corpuscles; and to what is known as auto-toxemia, that condition where the venous or impure blood accumulates faster than it can be replaced by the red arterial blood.

The medicinal value of the components of S. S. S. is relatively just as vital and essential to well-balanced health as those of the grains, meats, fats and sugars of our food.

If you feel played out go to any drug store and ask for a bottle of S. S. S. Swift's Sure Specific. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scatters germs right and left, up and down and sideways.

You feel better at once, not from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine just as active and just as timely as to a man who has been lost in the mountains, is about starved and comes across a settler just cooking a savory meal of good honest beef. Do not neglect to get a bottle of S. S. S. to-day. It will make you feel better in just a few minutes. It is prepared only in the laboratory of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.
