

YAKS GRAB 2ND CONTEST

NOCKELBY BATTED HARD IN FIRST INNING.

Peterson Lambasts Home Run But None Happen to Be on Bases.

Standing of the Clubs.

Club	Won.	Lost.	Pct.
Walla Walla	27	12	.692
Boise	22	16	.579
North Yakima	20	18	.526
Pendleton	19	19	.500
La Grande	15	22	.405
Baker	12	28	.300

Nockelby went to pieces yesterday and Yakima took the second victory making it two out of three games. Jamison finished for La Grande but the damage had been done and he does not get credit for the defeat. La Grande could not bunch her hits but once and that in the seventh inning when five singles scored two. Peterson broke into the home run class again but had nobody on. This was in the sixth. Two errors, a

double, a tripe and sacrifices all off Nockelby in the first won for Yakima, and though La Grande tied the score twice, she didn't muster the needed strength to finish. The score: R. H. E. North Yakima 7 10 1 La Grande 5 15 2 Batteries—Jensen and Taylor; Nockelby, Jamison and Conroy.

Boise Wins at Last.

Walla Walla, June 6.—Shader was pounded hard early in the game, but he tightened. Boise made two homers in the second, Blauser and Bonner connecting, the latter with one on.

The Bears made their only scores in the second and third, both with homers by Martini and Harmon.

Boise made two in the first on an error and two singles, three in the second with homers, one in the sixth with a single and a three-bagger, three in the seventh with errors and three singles; one in the ninth with a two-bagger and a single.

The score: R. H. E. Boise 10 16 2 Walla Walla 2 5 2

Peet Wins Again.

Pendleton, Ore., June 6.—(Special) Peet triumphed over his former teammates yesterday and would have made his victory a shutout had not

he gone wild in the ninth and his support weakened. Six hits, four of the scratch variety, were all that the Diggers could make off him. Woods' own wildness lost him the game. In the third he allowed Peet to hit and filled the bases by hitting two men. Singles by Haworth and McKune scored two and with bases full, he walked a run. In the eighth with two down, and McKune on third, he delivered a wild pitch for a score and then, after filling the bases by a hit and two passes, walked in another score. Peet and his support both fell down in the ninth. The twirler walked two, hit one and allowed a scratch hit which with two errors gave Baker her only scores. Peet also featured at the bat, getting three singles in four times up. Miller, a former La Grande player, was at third for Pendleton and bolstered up the crippled team.

R. H. E. Pendleton 5 9 2 Baker 4 2

BASEBALL GOSSIP

"Rocky" Mountain is now on the regular pitching staff of the Yaks.

Some punk base running this, when a team gets 15 hits and five runs. La Grande couldn't bunch them as usual except in one frame.

Mr. Druhot, who played left field for the Spuds yesterday afternoon, made the mistake of talking back to the grandstand. Attention was diverted from him however, when King came to the front. The Old Guard really seemed to get Mr. King's goat.—Yakima Herald.

Nadeau, the La Grande centerfielder, who got a home run a day for three successive days in the first Yakima-La Grande series, was sick Tuesday and out of the game. Fitchner filled his position very acceptably although he did not produce any home runs.—Yakima Herald.

Starkell, the umpire here this week, goes on the theory that people go to a ball game to see batting and base running. As a result a ball has to do just a little more than cut the corners to get him to decide it is a strike. Kile and Jamison did well yesterday to get away with as many strike-outs as they did.—Yakima Herald.

Stolke submitted to an examination by a physician yesterday and was sent to the hospital with a verdict that he has a fever. His loss will be felt by the team as Stolke is a steady fielder, has been hitting nearly .400 and could be relied on to fill any position in a pinch. He was replaced in the field yesterday by Gordon.—Yakima Herald.

Dated at La Grande, Oregon this 21st day of May, 1913. AUGUST HUG, Sheriff of Union County, Oregon. daily—5-23-30—6-6-13-20.

The marvelous General Electric Range

It is a mistaken idea to suppose that Electric cooking is expensive. It is cheaper in La Grande than coal or wood. Its convenience is self-evident. With electric cooking there is no waste heat. None goes up the chimney, none goes out into the room to make summer cooking unpleasant. The woman with an Electric Range can dress for dinner before she begins to cook. She need not eat dust or dirt. The General Electric Range gives perfect heat control. If it gets too hot the heat can be reduced. If a quick oven is desired a twist of the thumb produces it. We now have with the company a specialist for this work who will be glad to give any information or help possible. We have an appliance for your every need and if you want to learn the benefits of clean cooking, Phone Main 34.

"Good-Night"

How the day's game is thrashed over in the evening—the errors made, the blame placed. If your team uses a Cork Center ball, then it's up to you; but, if not, then you are not getting all that's coming to you. Many a hit that falls short with the old style rubber core ball would be safe with the Cork Center. Ninety-eight per cent of the National League players say it increases batting 10 to 15 per cent, yet is not too lively, while the pitchers say it is pleasant to handle and can be thrown more accurately.

Ask the Spalding dealer in your town for a catalogue of athletic goods—base ball goods—running shoes (the Olympic team to Stockholm was outfitted by Spalding's)—tennis rackets—golf—bathing suits—everything athletic. Even if you don't want anything it is worth looking at.

Good for the Children

There's a wealth of health in every can of Rona Cocoa. It's good for growing children—invigorating—nutritious—muscle-building. Rona Cocoa is made in Holland by the old Dutch process. The indigestible fibre is taken out, freeing it from sediment—making it soothing—delicious. That's why Rona Cocoa dissolves instantly in boiling water. No trouble to make it.

VAN HOUTEN'S RONA DUTCH COCOA

Best of all, Rona Cocoa costs only half as much as domestic cocoa, because it goes twice as far. You use only one-half a teaspoonful to the cup. It's economical—a 25c can makes 64 cups. Children like it—it's a nourishing food. Ask your grocer for Rona—the Dutch Cocoa in puddings, fudges, or sauces. You'll like the rich, Dutch, chocolate flavor. Two Sizes: 10c and 25c.
