**Malthoid Roofing**

Wherever you see a roofing advertisement remember that its words of self-praise and description came from the original advertisements of the Malthoid Roofing makers.

Twenty-six years ago we said of our roofing all the nice things that are now said of every other roofing.

These "others" have stolen our words—imitated our methods—but they cannot duplicate the quality of Malthoid Roofing—it always was the best and always will be.

Whenever you see a roofing advertisement think of Malthoid the original.
