Results of Saturday's Events.
In the ladies' driving (pacing) contest Mrs. McGoldrick, driving little Red, won the blue ribbon.
In the quarter mile tandem race Paddock crossed the line just a length ahead of Earl Reynolds. Reynolds' horse fell but he passed the finish but not any injury.

At this point in the program a heavy shower drove the contenders for the gentleman rider tandem event from the field, after, however, a thorough soaking. Harry Cooper was awarded first with Ray Noval second. In the mile dash, free for all, Crain on Jerusha won, with Pinnegar on Dave Webber a close second. The track was getting very heavy as the rain continued, making this and the remainder of the events unusually slow.

Earl Zeek won in the Boy's pony half mile dash, Harry Ruckman taking second, and Willie Hogg third.
Rain Causes Specials.
The heavy rain looked for a while like it would end the show, but the grand stand remained faithful, and while waiting for the downpour to cease the gritty cowboys produced special after special.
John Spain, world champion, rode a hard buckler; Bill Hogg, the best bull rider in the country, wore out an infuriated bull riding him with a rope only; Grout rode a wild horse; and F. A. Bidwell left the field in a strenuous mule race. Corbett defeated Hogg in the Roman race riding his razor backed ponies through a hard rain, himself shod only in his purple socks.
In the quarter mile dash Sam Mullen by Clarke, Billie Wallace by Turk, and Whitman by Pierce took the honors respectively. Abel Thatcher took the half mile free for all, La Taranta pulling second, and Rathersay third.
E. O. Zeek made the best time for

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

the chariot races for the day, although the time for all entries was much slower than on previous days. Guy Church, Mathews, and Hank McGrath each rode to submission some wild ponies, permitting not a single wait in the afternoon program.
In the jumping contest Henry took first, Peebler second, and Bloom third. This event on account of the slippery condition of the track was very dangerous, but no accidents resulted. In the final event of the day Spain won another close relay from Hasbrook which event closed the greatest success in the history of the Union stock show.
