Enterprise, June 9.—(Special)—Last night witnessed one of the worst thunder and rain storms that Enterprise has experienced this year. The roads are covered with pools of water and the rivers are rising steadily. The farmers of Alder Slope, Prairie Creek and Trout creek say that this rain is the best thing that could have happened, since we have been having for over two weeks undiminished sunshine and warmth. On this diet the grain is flourishing and farmers are most optimistic as to the prices their individual grain will bring.

Lungs Affected By Rheumatism

Pneumonia, Bronchitis, Asthma and Anemia Often Directly the Results of Rheumatic Blood.

Avoid Grippe, Sore Throat and Similar Troubles by Using S. S. S.

If you have a persistent, nagging bronchial cough beware of cough remedies. They are merely local in action, and if they do relieve it is the narcotics that do it. What you require is a blood purifier, a searching antidote that removes from the circulation the acid poisons that by their reflexes attack all weakened, susceptible spots and thus create local symptoms. The very best remedy known is Swift's Sure Specific. You will find it on sale in any drug store at \$1.00 per bottle. It goes straight into the blood, becomes an internal blood bath, wonderfully stimulates the increase of red corpuscles, cures all the local fever spots and irritations, increases appetite, you take on flesh and feel a wonderful sense of renewed strength. Hundreds of people worried beyond control at cough, pains in the chest, sore throat and constant expectoration of thick mucus have experienced the most wonderful change after using S. S. S. All doubt and apprehension is gone, those peculiar pains and aches vanish, there follows a period of most intense rejoicing to find that worst fears were based entirely upon a mistaken notion that cough and chest pains come from the lungs. These are rheumatic conditions, and you will quickly realize it after using S. S. S. for a few days. Get a bottle of S. S. S. to-day at the drug store and then say good-bye to all those pains that have worried you.
