

UNION COUNTY FAIR

OCTOBER 8, 9, 10 AND 11, 1913

THE

BIG

FAIR

OF

EAST-

ERN

ORE-

GON

OFFERS AS SPECIAL FEATURES FOR THIS YEAR
The Children's Industrial Exhibit

and will give SUBSTANTIAL PRIZES on the following:
Best displays of Potatoes, Pumpkins, Cabbage, Grain, Bird-
house and piece of Furniture made by a Boy. Bread,
Butter, Canned Fruit, Jelly, Hand-made Dress, Machine-
made Dress, Darning by the Girls. Best display of Chick-
ens, Ducks, Pigs and other displays.

THE BETTER BABIES CONTEST

WHERE THE PRETTIEST BABY IS NOT THE BEST BABY

A scientific effort to standardize the baby is now being made. It will be possible to put any baby through a series of simple tests and measurements and ascertain within five minutes just how near it comes up to standard. Some of the points that will be considered are: Regular features, 5 points; hair, 5 points; eye-balls, 10 points; ears, 5 points; nasal breathing, 10 points; gums, 10 points; palate, 10 points; teeth, 10 points; neck glands, 10 points; short arms, 10 points; heart, 35 points; lungs, 35 points; liver, 20 points; feet, 5 points; gait, 10 points; complexion, 15 points; weight, 10 points; shape of head, 5 points.
