You housewives —

you who delight in preparing dainty dishes for your table — you who like to make chocolate cakes, puddings, sauces and fudges — do you know that real Dutch Cocoa actually is better for cooking purposes than chocolate — that it has a richer, finer flavor? It has — and it's much easier to use.

VAN HOUTEN'S RONA DUTCH COCOA

You can make chocolate icing in an instant with Rona. No grating — it's ready. You'll like the rich, Dutch, chocolate flavor Rona Cocoa is made in Holland and yet it costs only half as much as domestic Cocoa because it goes twice as far. Ask your grocer today. Two sizes 10c and 25c.

Try it on this recipe: ICINGS—Three tablespoons Rona Cocoa dissolved in sufficient boiling water to make thick paste; add cream or butter; beat in confectioner's sugar until right color and consistency are obtained.

PERRY NEWS ITEMS.

Perry, Ore., June 16. (Special)—Mr. D. C. Eccles of Ogden, was a visitor at Perry this week.

Mr. and Mrs. J. Jackson of Chipewa Falls, Wis., left for Portland on Wednesday night. Mrs. Jackson has been visiting relatives here in Perry for several months, and was joined by her husband just recently. They will spend a few days in Portland and then return to their home in Chipewa Falls, Wis.

Mr. Fred Taylor, formerly superintendent of the Amalgamated Sugar Company at La Grande, and wife, both of Ogden, Mr. and Mrs. C. P. Fegan and Mrs. George Stoddard made a brief trip to Perry yesterday. From here they went to the logging camp on a sight-seeing trip.

Superintendent W. Y. Stoddard and wife returned this morning from Portland. Mr. Stoddard has been on a business tour through Utah and California the past two weeks, and returned via Portland. At Portland his wife met him and they spent a few days at the Rose show. Mr. Stoddard states that the weather in Portland was beautiful while they were there.

DOUBLE HEADER IS DIVIDED.

La Grande had two down in the first of the afternoon game when she made her four runs. In the ninth when she needed two runs to tie and had two down luck wouldn't come back.

It will be a long time until you beat that morning contest.

For once President Sweet sent an umpire to La Grande that gave us all that was coming to us, and no more. "Chimie" Richardson was called in to Boise last night to get back on his

job as secretary to President Sweet, and Russ Hall comes Tuesday with the Bucks. "Chimie" is small in stature but looms high over everything else that has been here in umpire capacity. Walla Walla couldn't get used to letting the breaks go as they ought to go.

Peterson's tripple in the first-inning of the afternoon game was a bird in fact the catcher-infielder got away fairly good all day Sunday.

Walter's best drive yet came in the morning game. It was a low, hard one that hit a pool of water but plowed through the slush and made Martini get on his horse and give chase. A home run would about be the record but for that pool of water.

King hit a bee-liner at the pitcher's box in the morning game so fast that "Chimie" could not get out of the way and it hit his big toe. The little amps hooped around on one foot for several innings afterwards.

Lewis misjudged a long fly that helped win for the Bears but outside of that got away in fine style both games. Curtiss the other new outfielder had little chance to display any fielding ability. Curtiss batted the better of the two.

Take Plenty of Time to Eat.

There is a saying that "Rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. For sale by all dealers.
